Elite Competition Teams

Sponsorship Agreement

Legacy Dance Company's Elite teams are in search of businesses and individuals who would be interested in helping our team achieve the financial goals that will allow us to compete this winter in state-wide competitions. LDC Elite is made up of two teams; youth and junior. Each team will compete in their own level of competition and will also compete one routine together! We will be travelling to the Portland area this winter to compete within the Oregon Junior Dance Team circuit.

Each dancer needs to raise roughly $1,500.00 to cover all their expenses for one year. This includes everything from shoes, costumes, and team jackets, to hotels, meals, and competition entry fees. Fundraising helps us give EVERY child the same opportunities to dance, regardless of their socio-economic status. Here at LDC we want every dancer to be able to chase their dreams, and your generous donations can help us make that happen!

We have three levels of Sponsorship available to purchase! Any donation is welcomed and appreciated, every dollar makes a difference! All sponsorships must be collected by October 1st.

If you are a Sapphire or Diamond Level Sponsor, please email your logo to legacydancedirector@gmail.com
