(Matthew 5:14, 15)

Dearest Rudy & Erin,

Greetings for our entire family in Christ!
His blessings be with you all! Let us all
join in prayer thanking the Lord for His
strength, mercy, direction and wisdom, His
guidance for us all who love Him and hope
for standing up for righteousness now
and forever! Glory Hallelulah!

On the reverse I share a short comment
on REAL ID, that I wrote in 2006, when I
was unlawfully, falsely imprisoned at USP Mc.
Creary in McCreary county Kentucky. At that
time imprisoning numerous low and medium
Concentration Kamp victims so they could
train up a staff before it would be re-
populated with High and maximum custody
people. (Pine Knot, Kentucky)

By May of 2007, I was "discharged" by
and through lawful process. As I was en-
titled for immediate, unconditional liberty the
corrupted reacted by 17 June 2007, with another fraud,
stirring new charges in Oklahoma City - The CNN
people ran an accusation on TV for 3 days, as if
that were a BIG-DEAL; all FRAUD. My immediate pro-
cess affirmatively settled all, out of the box. (Matthew
5:25). They reacted by last week of July dragging
me off for Oklahoma City in chains, in hopes I would
fall into the liability of suretyship for the bogus charges.
IT FAILED THEM! Tho' they held a "bogus" courtroom
drama; all was "DISCHARGED" - I remain falsely
imprisoned. (I include here affirmed letter Rogatory
transcript of habeas corpus hearing shattered by violence
against me. See: Writ). (Under Triple-Seal).

REAL ID

You will not be allowed to be in possession of anything that you cannot associate with your "REAL ID ("Mark") and the transaction that gave you possession. You will not be able to enter nor leave a state, county, city or town without your REAL ID. You will not be able to enter nor leave a public building, mall or store without your REAL ID, which will create a record of the time and day you went to any of those places. You will not be able to purchase seeds, food or anything designated as contraband. Possession of such will be loss of your REAL ID and imprisonment. Loss of your car or house or wherever you possessed it. And without your REAL ID you have no place you can go, nothing you can be in possession of, that does not subject you to imprisonment. No one can provide you with anything in prison camps, and if they have contact with you they will lose their REAL ID.

Are you getting the picture of
the cashless "New World Order"
that Satan has in mind for
you?

Your REAL ID please!

Oh, you don't have it? You are under arrest!
Assume the position or DIE!

Standing on Thee Rock: 17 November 2016, by "The Light", Thursday

Have reviewed word of Lucifer's visitors. No match for The Redeemer! Those kind went to numerous of my family and friends for driving a wedge. It is so latent with sin — just like Joe Stalin's dark shadow cast over the U.S.S.R., 20th century.

Glad the reproach goes world-wide. We are to "reprove" (expose) them! Evil cannot stand the light of truth!

bei "der Licht" 18 November 2016, Freitag

So glad you found no gov re dana. You have the pix of her and I. We were constant companions — still are, for now in prayer and spirit. Guess Satan's New World Order schemers do not like us nor The Lord's TRUTH very much. 'bout like that bunch our Lord ran up against in Jerusalem. ☹️

If the enemy were right, there would be no reason for poking through our mail. It would make no difference if we sent and received 500 lbs per day except of disposal. Same with visitors. My parents were elderly when this happened to dana and I. The Feebees went to them, as well as numerous friends and family spreading their LIES and intimidation. Jesus dealt with such, John 8:44, some time ago!

People being "disappeared" just like tyrants over all time. Their time is "very-short" — The King is near. He alone knows just how to clean up a messy Kingdom. ☹️

Our people have seen much change, not always good, in the last 50 years. None-the-less, readiness for Jesus.

I see Proverbs 6:1-5 at the root of what was called the Montana Freemen standoff, 25 March 1996, thru 13 June 1996 (present). The American people; people world-wide, are SNARED as they have been deceived into acting as "surety" for the banks world-wide. Of Roy-Michael: Schweitzer; Daniel-E.: Petusen; Rodney Owen: Skurdal and others, in searching for solutions for themselves and others learned of the SNARE as people were being dispossessed of their lands, property and liberty. The Word said, Rev. 18:4, Come out of her (Babylon/the system) my people; and, Isaiah 52:3... "ye have sold yourselves for naught and ye shall be redeemed without money."

During weekend seminars, the Montana Freemen taught from The Word, warned how people were SNARED in usury; and, how the financial system worked, as well as how one could settle those suretyships and be set free from the SNARE. Of Roy Michael would issue VALID comptroller warrants to the attendant student and who they owed — for double the amount owed (Rev. 18:6) so they could endorse the credit, settle their obligation(s) and obey Revelation 18:4; 6. Babylon/the system/false god of Baal cannot tolerate the economic slaves bound in usurious sin to be set free, EXPOSING the false system — thus, the wicked came with an army, mostly FBI it appeared of 150 men for purpose of snuffing out the people they called "The Montana Freemen". Over 600 FBI from all across the country with their automatic weapons; snoop electronics; abuse of The People in Jordan who were never paid for the lodging; supplies; food; fuel, etc. used by the FBI army against us WITHOUT A WARRANT; WITHOUT any violation of any law. Terrorized by those things, we were forced to keep

watch 24/7 as they provoked us in attempt for creating violence; encroached marking out landing areas with luminous tape for guiding helicopters in night landings and directing ground troops to our dwellings and locations.

While media portrayed us as violent people "holed-up" on a 900 acre foreclosed ranch; we were actually 20+ ordinary people on over 7,000 acres, 4 ranchsteads; well supplied; poorly armed... three children; 4 elderly people and NO warrants for any of us.

We had some contact with people outside... daily, we routinely conducted a wide circle reconnaissance to be sure we were not being encroached on; day and night — Every 3rd or 4th day we rode 2 or 3 horseback on a much wider perimeter recon — Those revealed their efforts to mark ground in rough terrain for landing helicopters and marking trails that the marking tape could be seen day or night.

Early on we would tear off the tape — then, shortly we learned to remove it where it was tied to weeds and tree limbs and re-route it into wrong directions and mark landing tape in rough hill sides where landings would result in crashes.

We were constantly surveilled by Cessna aircraft day and night for about 6 weeks — then, it seemed it became too expensive or fruitless; or both and we seldom saw this — on one occasion, near Ralph Clark's house they buzzed several of us men, it appeared in an attempt to draw fire — We were not tempted. Our purpose; to keep the peace; never to force violence.

Our wives kept chili on a constant fire — we used deer and beef stock for ground meat — all lived primarily on that source, as needed. We baked bread and supplemented from ~~our~~ canned vegetables and fruit, as well. By May 1 we planted about 1 1/2 - 2 acres of garden.

Media kept speaking of running out — not in the last 100 years. Janet Reno said on national TV ~~as~~ they were cutting off the water, as some of us watched not 25 yards from a 25 acre lake and 150 yards from a fresh water spring, one of many. They did shut off the electricity, but neither that nor fuel was a pressing need. The feds provided all for us.

We were in Garfield county: Indian Country. The feds have NO authority over non-Indians in Indian Country. They simply declared war on We-the-People and attacked us with the purpose of silencing us and destroying us by force. In 10:10

We were Kidnapped; robbed of our motorhome; our Suburban; our computerized office and supplies; much of our personal property; our friends suffered similar losses — The freeman was robbed of a \$17,500 Canon copier less than 6 months old — and none of us had violated a single law.

DeRoy, over a 5 year period, settled over \$9 billion in obligations for The people — still settled to this day.

We did not surrender peacefully voluntarily. We were threatened within 24 hours of morning of 12 June 1996, with full scale assault; and, the murders of us and our families, if we did not surrender to the lawless; violent tyranny at our gate by 4pm on 13 June 1996. We were Kidnapped!

Our families were traumatized; separated; scared and have never been the same. My parents suffered the loss; were sorely grieved, and went to their graves with no comfort of dana and I for being there for them. The others all suffered such losses and grief.

We were treated like criminals, dragged thru the streets in chains; violated in conditions of poison and starvation. Speaking for my self, I went to Yellowstone county jail weighing 205 lbs, fit and strong. The day I left there I weighed 155 lbs. and looked the part of a concentration camp victim.

No legitimate indictment was ever brought. Dana and I were entered on a "superseding" indictment which is no indictment at all; and the so-called indictments were never the product of the "required" Grand Jury Concurrence signed by at least 12 Grand Jury members in the presence of a Magistrate. This is what is almost universal of federal persecutions. No Law; No indictment; No case; just torture, persicution, slander, robbery and unlawful concentration camp imprisonment. It will all come out one day. **WE ARE THE VICTIMS, NOT THE CRIMINALS.** Like our Lord, condemned for silencing the **WORD OF TRUTH.**

In May (24th, 25th) 2007, by and through lawful process, all of the alleged obligations held against me were discharged — I was due immediate liberty [again]. The enemy sat about for means for contemptuously imprisoning me. On or about June 16, 2007, they fabricated an absolute LIE in Oklahoma City for framing myself and others, for keeping me and others I have informed in prison — silenced the truth. ~~But~~ But, never wavering, always in prayer, with faithful assistance, I met the new LIE(s) with the same resolve (Matt. 5:25) and discharged and settled the "charges" (like your ph. bill) never crime(s) to start with, and, the evil ones tried everything for getting me to act as "surety" for their bogus "charges" in violation of Proverbs 6:1-5. It never worked — see the enclose "writ", as that played a key role. Then after several weeks; no designation for prison, the enemy/US Marshals put me on a plane and sent me back to USP McCreary, Pine Knot, Kentucky, last week of May 2008, and dumped me there. They did not know what to do with me as I was NOT designate for imprisonment anywhere; so they secreted me away in the "hole" and kept me from sending mail; phoning anyone, isolated until the last week of July 2008, when they put me on a BOP van, no travel papers and hauled me to Terre-Haute, Indiana, where I was placed in the "unlawful"; "unregulated," so-called Communications Management Unit" (CMU) as is run by COUNTER TERRORISM UNIT (CTU) a private

contractor where I have suffered gross abuse(s) re mail;
Phone (18mo's no ph); tortured in "HOT-BOX" for
several months — I'm being very brief — it's beyond
description — The place was condemned years ago. The
environment and water — bad — I'm now in my 9th
year — 18 months I was cut-off from my wife; and
everyone else with exception of mail for 2 of my children.
Now, for over 3 1/4 years done and I have had no
communications — as her and 4 other professionals
who were making lawful, legal efforts for my liberty
were suddenly DISAPPEARED. Yes, on America!
I have been falsely imprisoned in my 31st year
now, for things that never happened in the first
place and were never crimes even if they had. We
were robbed, assaulted, persecuted, slandered and
like our sons they seek for our death for pro-
tecting the LIES and usury we were exposing; that
righteousness might be given a chance.

The whole world needs to know! The media LIES.
They do not tell people what is going on. The wicked
have built 104 of 1000s of concentration Kamp
cells all across America for unjust profit or
gain and SILENCING The WORD and The TRUTH.

May the Lord
soon prevail
over our enemies,
