Dear Rudy de Ezra,

Greetings in the name of Jesus, the Christ / Christ — from the alleged "anti-government" ones. I pray you are sharing in the joy of this Advent Season, as our Lord came for us, He is sure, coming again. Hallelujah! □
What drama and I meant for good [in] the battlements of the wicked one (Isaiah 14: 1) have sought to destroy (John 10:10) but in our Lord, all works for good for those who love The Word.

May The wot whole world soon bow, every tongue confess that Jesus is Lord of Lords and King of Kings!

Glorify The Lord; SO BE IT!

German. It is a strange world. So many writers, write sorrowful lies rather than the Truth. Mark Pitcavage who wrote "Patriot" Profile #3 re: Montana Freemen, while events of the assault on us was taking place in 1996. His opening "Introduction" — What a "twisted LIE" — The militants were the so-called FBI, et al., with their M16 automatic weapons and much more. Clearly, this writer was taking his materials from the propaganda media of those days. Fellow Michael Schweitzer did not write a single "check" — bank instruments only. He did provide 100s of people a total of over 4,000 "drafts" over approximately a 5 years, for settlement of over \$9 billion dollars in obligations. And those obligations are "settled" to this day. The various debt system could not stand such liberating efforts (Prov. 6: 1-5).

My picture — appears to be one taken as I was leaving the Yellowstone county jail to be secreted away in isolation in Springfield, Missouri, while they held the "bogus" trial at Billings, Montana — as I was weighed I was down from 205 lbs healthy/strong — to 135 lbs, fanned/weak.

Note my skinny neck! I do not know why LIES appear on the globe, but I do know that they are truly LIARS, John 8:44 — I never harmed anyone; never stole anything; had nothing to do with banks for nearly 3 years prior to events in Montana and did not even know the banks they alleged were defrauded even existed. Don son — Dana and I know the better part of how money works — I spent a decade+ as a licensed principal in the securities business — Darkness cannot stand The light — Mike is a case of "ATTEMPTED MURDER BY IMPRISONMENT". As I put lawful, legal pressure on the human traffickers in 98-99, they murdered my dear son Ryan Dean (25) 7 January 2000 — Like Job I've been at peace — Ryan Knows The WORD (Jn 1:1). We had a sheriff's department investigator went to Portage Wisconsin where the vehicular homicide took place and verified of a certainty that Sean O'brien (spared by the God) and Ryan Dean were ran over the cliff by two service vans, 2 men in each — and tho' briefly detained a few hours later, they were not even given a traffic citation despite several eye witnesses. As I've reported before; it is a long list of true facts.

Our Lord, our Redeemer, Jesus, the Christ, is in total control, now and forever! His birth reminds us, He shall return to the clouds! Glory Hallelujah!

Because He Lives!
