Dear friends In Christ,

With the Love of Christ I greet you dear ones!

Real cowboys know them who put the sun and stars above.

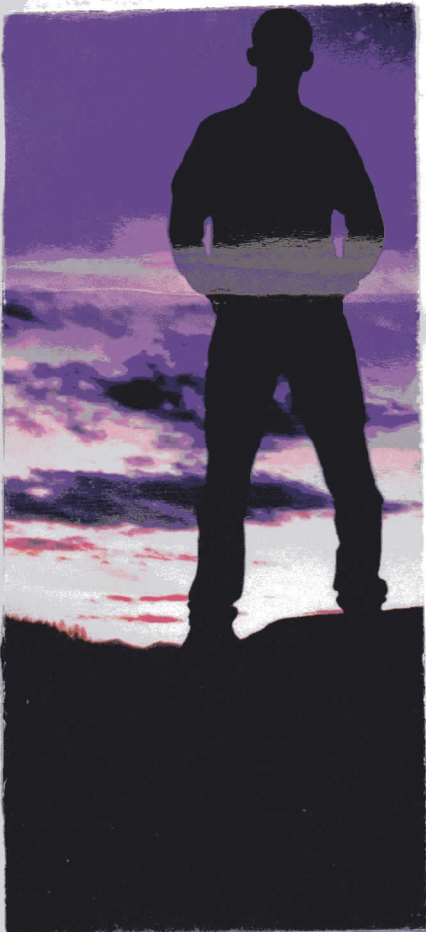

Could we do less. Even "one" can do all things through Christ

Jesus - Amen!

My father, who would be 99 this past year, taught me from my earliest recollection, "Right is right". I grew up to find a world (this is the way the world is) that is filled with "wrong/corruption" as Satan, "the thief" comes to destroy (John 10:10). Then, when I've sought after exposing the "wrong" that right might be established, so many have said, "But what can one man do?" And I cling to The WORD - "all things", that is what "one" can do in Christ Jesus!

Philippians 4:13 - do we know it is true and conduct ourselves accordingly, or do we not?

Frequently, following a gathering and sharing outside the meeting Dana and I would have a conversation with those who would gather round. It was NOT uncommon for someone to say: "We're really glad you came to speak and share with us... it's a ~~real~~ real eye-opener. BUT you're never going to get everyone to act on it." And I would get a big ole' smile on my face and say: "You're absolutely right!" "We did not come looking for everyone. We came looking for a "1 percenter." ... in all of recorded

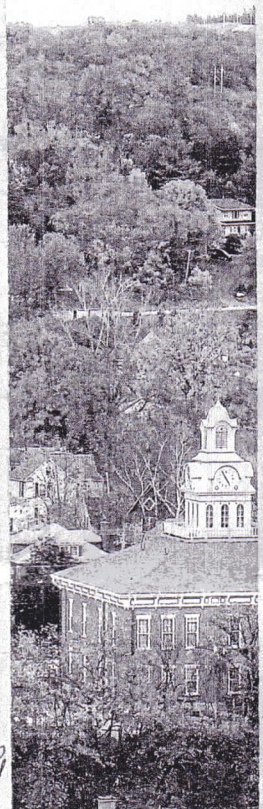

"One"

Here is a shot of Elkader, Iowa. It is all hope-
giving there. The FRAUD! It is the same
in Waterloo — in Greece — in Chicago. It
is everywhere. How could this peaceful
small town in NE Iowa be part of it?

Your home, your neighbor's home. It is
everywhere. Even those who should know,
largely, do not know. Obviously there is an
array of details to be covered. It all
looks so peaceful; so ordinary; and, yet,
hidde in plain sight the storm is
raging. (Matthew 24: 21, 22). We MUST
be 100% devoted to Yeh Weh Veh We the Creator
and Ruler of the Universe. There is Jesus,
the Christ is hope; is the full knowledge
of the TRUTH.

If you want hope — you want to know,
start with; stand with Him, The Word,
John 1:1, 14. For He it is who sees us
through. Pray we are able for sharing every detail. He
put me through all I've been through for investi-
gating the corrupt "system". Only He knows what we are
called to do. If we want to be certain and safe
now and forever we MUST trust (Proverbs 3:5, 6) Him.
All things are being revealed.

2/ history: Do you know what everyone did? (Answer):
 "NOTHING"! Everyone follows the "1 percenters." All too
 often the "wrong" 1 percent. Remember the crowd that
 cried, "Concify Him!" They followed the "wrong" 1
 percent. But even then YAH HE VAH HE DEFEATED the
 wicked one! "I can do all things through Christ
 which strengtheneth me." Let him who has eyes
 to see, see "the fight"! ~~lol~~ The LORD is calling
 His "1 percenters". SO BE IT! The TRUTH never
 changes — NEVER! (Matthew 6:24, 33).

What can "one" do? ☺

Wo unto those other 99% who would rather believe a
 LIE !!!

I share herewith a letter I sent to my son and
 daughter-in-law; etc. I shared some foundational
 facts in truth as are cause for "the whole world
 is DECEIVED". It is time "the TRUTH" came out
 for to set His people free (John 8:33). ☺

"One cannot compromise
 the TRUTH; or,
 All is lost."

"Right is Right!"

 One must stand for TRUTH; or,

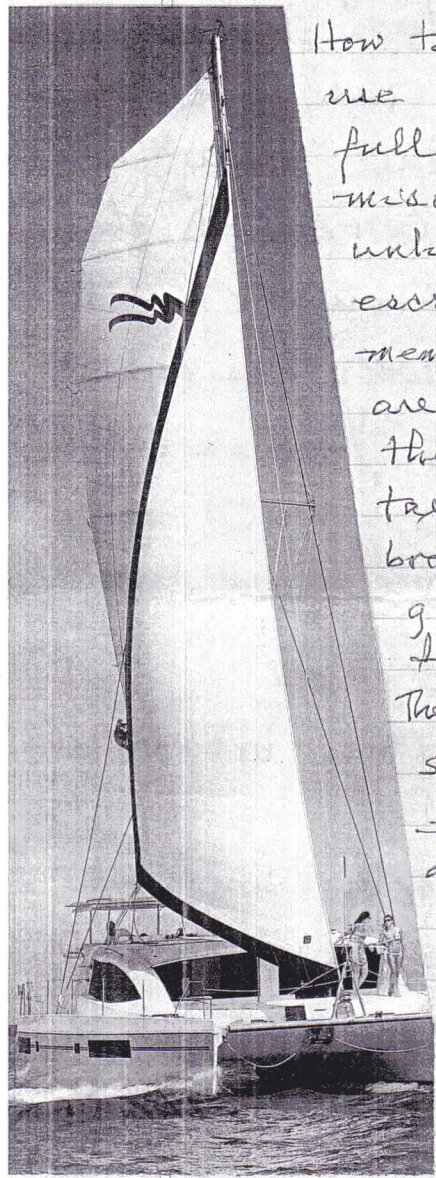

he will fall
 for anything!

The Devil's workshop does not
 rest. We must pray without ceasing!
 And expose the LIES and the LIARS
 for what they are. Where are the
 1 percenters?

The cleansing of sin and reconciliation to God are
 by the shed blood of Jesus Christ, our Savior. Without
 His sacrifice, our sins cannot be washed away.

What works for them ("the system"); works against them!
Your sister has an "umbrella" and all that goes with it.

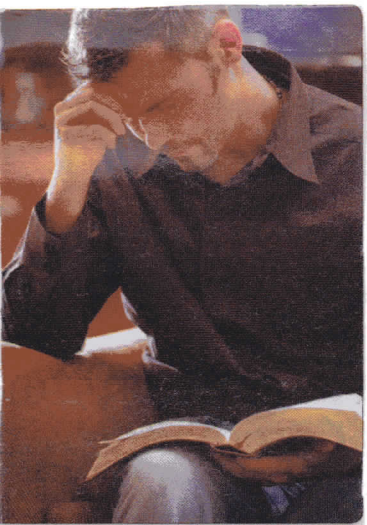

How to administer one's account - properly use "liquidation documents" for receiving full return of your credit. Most people misuse the documents and forfeit their unlimited return of Credit due for closing escrow on all your annual budget. Remember you are the "energy/source" and are loaning "the system" the credit they're using; NOT the surety/debtor/tax payer. I hope you get with her, break out the umbrella, et al., and begin to see the other side of the mirror. It is ALL MUCH different than 99.9% of The People "imagine". All hidden in plain sight. Most (nearly all) are lost at sea! Like It would be a gift from above ~~if~~ when I am able to detail all here for you. The wicked hate when those who know provide the detailed information for setting The People free. This is why they have persecuted myself and others all these years. The "WHOLE TRUTH" scares the lawyers

to death. The whole world has been DECEIVED! You know who the master-deceiver is, right?

We are the "source" not "debtor-sureties" - when one understands the IRS is "our" accounting firm. The so-called tax forms are in fact dual purpose and when "understood" and used properly by People (not mere legal "persons") the annual return closes escrow on the year's transactions; returns the credit to the lender/People and for that amount there is NO so-called Nat'l debt. The so-called Nat'l debt is owed to The People. Northwest Ordinance number 1; The federal corporation has agreed to settle all debts, duties and obligations for the People - hidden in plain sight, yet who "knows"? The economy belongs to "We-the-People". Not the corporation.

3/ No matter how low we have fallen in our sinful ways - The Lord Jesus, the Christ is the way forward. Our sin nature overcome only by and through His plan and purpose.  The WORD (John 1:1, 14) the One true source of  all things. Let us seek His Wisdom / Way (James 1:5-7) and ~~set~~ now, and at all times in faith in Him, that we might be counted worthy of His Mercy and grace forever!

There is a solid "brick" in the foundation of our faith in Yeshua Ha Mashiach (Jesus, the Christ). There is the foundation and the Finisher of our faith.

Today I and my friend each received a letter (2pgs.) from brother Jerry Rose - as he shares encouragement in and of The WORD, a Light in the way before us. Such is ever so much a blessing. A compliment for the gifts of our Heavenly Father, Matthew 5:10-11. The way, the truth, the Life - 

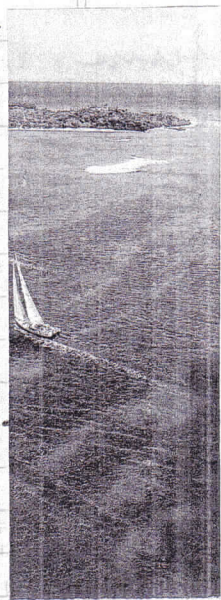

Sincere study of God's Word, coupled with a strong desire to yield to His will, soon lets us see in ourselves the selfish desires that dominate the behavior and reasoning of most people.

"They do NOT attack those who are wrong - they attack those who are RIGHT. They attacked John the Baptist, Jesus the Christ - later the Apostle, NOT Judas Iscariot."

This afternoon I am privileged with time for prayer - study - and meditation. While those, our oppressors intend for harm; we are blessed with the precious gift of solitude

with our Lord in time, in preparation for victory now and ever more! May your blessings be full. 

6/ Nearly no one knows! While you act as surety the system uses your credit. Unlimited amount. Usury on steroids! Your home, your car; every thing was all prepaid on our credit before it was made. When you buy something you are paying 2X for mere possessory interests, not ownership. It is all considered the estate in bankruptcy of the United States. See Congressional Record March 17, 1993, James Ton Hoocant speaking, Congressman from Ohio. He's spoken there re the bankruptcy. House Joint Resolution 192, June 5, 1933, is another eye-opener. The "SNOW-JOB" goes on and on. The WORD affirms: "All things shall be revealed!"

do you see
The Fight?

"All you've got to do Mr. Landis is, SHUT UP! Sell your soul to the Devil! (Proverbs 11:15).

bei "der Licht" 11 Januar 2017, Mittwoch

The Lord will impart "wisdom" and "understanding" on those who "seek; ask; knock" — consider The Book of James, ch. 1, verses 5-7, etc. Let us all learn to walk in the Light — you can hold the blessing of the land in "allodial (no debt) title"; you can have Title (free of all debt) of cars, trucks, etc.; you can live a "private life (free of debt/suretyship) from womb to ~~to~~ tomb". It requires "knowledge of the TRUTH" and self discipline. There is just a 1st lesson. The enemy (Isaiah 14: 12-17); seeks to steal; kill and destroy (John 10:10) but we have, thanks be to Yehovah the Messiah/Jesus, the Christ, the choice for Victory now; and, forever. It is surely time to come out of (Babylon) her (Rev. 18:4) into "The Light". "Wide is the path that leads to destruction; narrow the path that leads to salvation." This TRUTH is why they (the wicked) want us to SHUT UP! SHUT UP! (SOLD OUT \$\$).

4 The heavens display His glory!

Each of us a tiny little speck, yet our father has count of every hair on our head. We have a very very BIG Father; and Lord Jesus, the Christ. Let us see "The Light"! Bless you each and all!

Our fellow beings could so benefit themselves and others by prayerfully joining hands; pulling together. Families scatter four ways to the wind. They, one at a time, buy or rent houses; pay multiple utility bills, etc., etc. and all stay broke... Families in Christ should certainly be able to pull together.

Here we have local Christian radio - WORD POWER 93.7 FM Terre Haute; BOT radio 96.3 FM nearby; and 88.5 FM Christian music... our radio is truly a blessing - I like "Sugar Creek Gang" and "Great Christians" and add'l drama from Moody. A blessing even in this place - Amex. The New World Order is no match for our God. ☺

Nothing I've experienced will turn us to trust in our Lord like this bondage. I do not know what He's preparing us for but I am confident it is for a greater purpose than I perceive. ☺ One God, Yeh He vah He, is truly awesome!

by "The Light" 13 January 2017, Friday.

You are all in my heart and prayers! Psalm 118:24. The chaotic world stirred to strife by the wicked one, Isaiah 14: 12-16)-23. Yet, we are calm as a summer's eve in the presence of our King! ☺

by the Night (Psalm 105) 10 January 2011, Tuesday
Consider, if you will, Matthew 6: 20-21; and Psalm 56: 3-4.

First, more bad news. When one turns age 18 and continues to "sign" as "surety" he/she continues to assume liability/bondage as if he/she were in debt for the "cestui que trust"; when in fact he/she is entitled as "beneficiary" of the "presumed" (not in writing) trust. A conversion scheme for "taking" your entitlements for the so-called "public treasury". All legislative acts, so-called "bills" are billings the "signore", an horrid violation of God's law against "usury", Proverbs 6: 1-5, etc.

Per the 1930 Geneva Convention bankruptcy of the corporation UNITED STATES scheme, everything you hold, including your own body is by "signatures above" the "corpus" / "estate" of the bankrupt UNITED STATES and thus is at the mercy of the TRUSTEE of the bankruptcy.

When one purchases a "new car" he/she signs 9 contracts. It's called the "NINE Pak". One of those contracts is a Power of Attorney which assigns the Manufacturer's Certificate of Origin/Title to THE STATE — You as "surety" will never see the MSO/Title — it becomes collateral for STATE borrowing/bonding. Their

unworn SCAM engulfs everything and everybody who is unaware, bound to the false god/idol, "The System".

Auto dealers must be "licensed" by THE STATE as they are licensed to commit the "FRAND" above. Agents for the creditors of THE STATE. Who's name is at the top of the "LICENSE" plate on the car? In IOWA, it says "IOWA", doesn't it? That's "contract", shows who the Title Holder/Owner is. The "Certificate of Title" you see is NOT the Title. It is certification there is a title. It only affirms a "conditional possessory interest" in the car — The "contract" receives the car as a "motor vehicle/air-land vessel". "Contracts" superseding one's protections of Constitution, Treaties, God's Law, etc. Contracts waiving the protections of Law! Highway police are contract enforcers.

Not far from Four Oaks... Eowen, North Carolina
is Camp Lejeune where young people are
trained for following orders for destruction.

← The word warns of the consequences of
sin. Yet, for now, they continue on the
wide path that leads to destruction. So
much of what sin produces is lodged in
making war. War, death and destruction
the largest most profitable business of gov-
ernments. The Day of the Lord, the second
Advent will put an end to it all. Glory
HalleluYah! (Jn 10:10). Psalms 23; 91...

We Should Have Known!

When Dana and I went from sea to shewing sea
exposing the wrong; suggesting means to cor-
rect it; and testifying of The Word for all
to see, the wicked went crazy - rushed on us
all with their teeth and have sought our
destruction just as they sought for destroying
Yah He Yah He Messiah Jesus, the Christ. Just
as He said they would. Let not your heart
be troubled - our VICTORY is at hand, SEAL-
ED by our King! Glory HalleluYah! Come

Lord Jesus! SO BE IT!

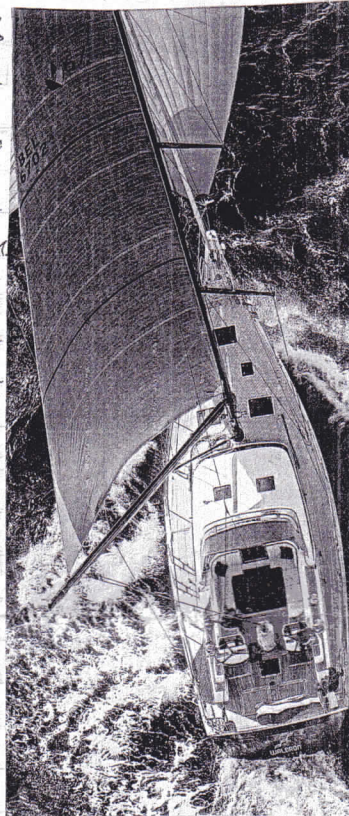

Proverbs 3:5,6!

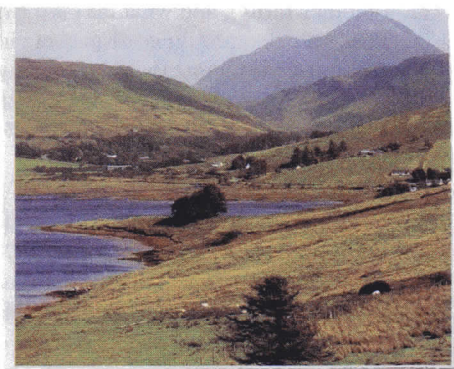

Are you at sea? Inland Marine? Surety ship? Are you LOST at sea? On the sea of commerce? On the inland concrete / asphalt / gravel seaways? Do "cruisers/cutters" tax (fine) the licenced "merchants" (you) on the "seaways/high (water) ways"? Contracts/Bargains of the parties supercede the stated Rule of Law, i.e. Constitution etc. Are you LOST at sea?

Why are most courtrooms on an upper floor? Answer: that's where the "high water mark" is. "You're not in Kansas any more Dorothy." Are you starting to see there is much hidden behind the curtain? Are you sure this is not bearing down on every aspect of your life? Could you see why a BRIBE was offered to "SHUT ME UP" in Brooklyn? As MUCH ~~\$\$~~ money ~~\$\$~~ as you want Mr. Landers, all you've got to do is SHUT UP"! The WORD assures "all things shall be revealed." We're just getting started!

Are you holding your home as "Joint Tenants"; as "Tenants In Common" or is one of you "Tenant by Entirety"? What is a "tenant"? If you a tenant, "Who is the Title Owner?" Who collects the rent? And sets "conditions" upon your possession? Answer: (again) THE STATE — i.e. "property taxes" (NOT) That is the principal and interest payments for settling for the "BONDS" against the Title, means where by the STATE borrows ^{against} ~~against~~ the "Allodial Titles" it holds by "escheat" — abandoned Titles rolled up to the STATE. A Tenant DOES NOT hold Title he/she only holds a possessory conditional interest/an "estate" in the real property. They call it "real estate". Are you seeing the SCAM? Another "bad news", "good news" story. You may be getting a glimpse of why the bandits hated Dan's and my "America First: Basics of Law" seminars.

6/ Most Americans would be totally SHOCKED to learn how absolutely corrupt the courts - legislatures and executive actors are on America. Men, women, even youth and children are being falsely imprisoned, tortured, robbed of possessions, livelihood, family and community relationships, dignity and more all across this land. At crucial points there is NO protection of law. The whole population is in a game of musical chairs on London Bridge - when your number is up it means one will learn just how evil and corrupt it is. The No god in school nor the public arena

is fundamental to the attacks daily on frontline actors, especially the highly visible police. More and more who cannot cope with the corruption and have no knowledge of The Word follow Satan's prodding and turn to

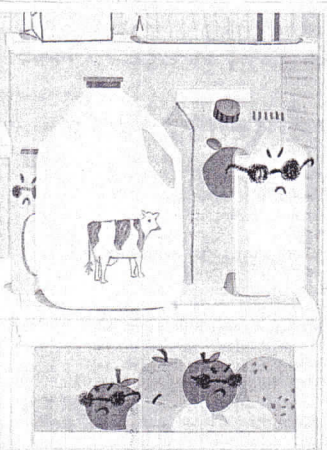

violence, even murder. I pray every day for people to learn of The Word and turn to Christ and seek Him first, that they might escape the wrath to come!

 Persecution of Christians is real and has been going on in America for decades. The Lord is mindful of our situation - He seals up victory for us! Keep all eyes on "The Light"! Jesus, the Christ is our deliverer!

Wow! It is a good sleepin' day here in southern, Indiana; overcast, cool... quiet. I did my laundry and saw on TV how the CNN is trying to slay

Fractionalized banking: You receive a check or auto deposit of \$3,000.00. That is \$30,000.00 to your bank. At the end of the day the bank deposits with its Reserve Bank — it's \$300,000.00 on their ledger. They ledger with the Treasury, it's \$3,000,000.00, Treasury Reserve. You clear your account paying your expenses, those who receive your settlement "deposit" with their financial institution, it "fractionalizes" there again. It's a massive "usury" of your "energy".

You "sign" up for a Visa Card with a \$5,000.00 line of credit. Your application = a financial statement and a promissory-note \$5,000.00. The issuer "deposits" your application, a \$500.00 deposit. It fractionalizes. You charge \$500.00 at Home Depot. Home Depot "deposits" the \$500.00 credit; The issuer receives the \$500.00 note you signed at check-out, that's deposited, fractionalizes ... Multiplies on multiples on "your credit energy". Note: The Visa issuer has put in "nothing" and already they are up \$5,500.00 — and earning interest on it all. HUBB! It's all a "RACKET" — and The People, used, are losing every step of the way.

Your grand father's 1964 Chev 1/2 Ton pickup, NEW, \$1,400.00. Your 2012 (z) Chev pickup — \$30,000.00. Hum! Musical chairs and "you" are left standing. It is all about the \$\$\$. Every penny of "usury" ultimately paid in "BLOOD" — Wars, the usurers' biggest \$\$ maker. "You're not in Kansas any more do they!"

I was a licensed Principal in securities bus. for about a decade — Series 24; Series 6; and, series 63 licenses. My eyes were opened WIDE! There is much more.

Are you aware you have no less than 10 accounts with several of the Federal Reserve Banks? My active account, a "G" account, is at the Chicago Branch (G), G-----. Each 9 place Alph Numeric ID number.

1
mud at the incoming Trump Administration; while portraying "legacy" of Obomber and Mischette. Clearly the satanic influence is ramped up in these last days. It looks like a great time for fishers of men.

~~1~~
Need we say more? There is a great void in the hearts of many. Were it not so, there would not be so much darkness in this forboding world.

Ignorance - walking in darkness is the root of all that is wrong in the world. Jesus set us free, if we see The Light. If we do not seek, ask, knock we are caught up in darkness, which is where ever so many are. Hee, I wonder why The Lord asked, "Who has eyes to see; and, ears to hear?" Do you see "The Light"?

The powers of darkness, the rulers of this world, hate "The Light". ["All you've got to do Mr. Landers, is SIT UP!" - "as much money (whats) as you want." (I was being asked to fall back into darkness.)]. Fishers of men shed Light in the darkness. SO BE IT! (Ps. 73.)

Salvation is not found in the results of an election. People get so caught up in that ritual that it is hard to believe such. Let us put our hope where it is real; in the King of Kings and Lord of Lords, Amen. Turn the TV off - The Word and prayer on! (Ps. 73.)

The moral bankruptcy - Satan's attack on the whole earth today is not unlike that of Sodom and Gomorrah - And that conclusion we have solid evidence of today. It is all a desert of green glass yet today - nothing lives there. God will never be mocked. "Wide is the path that leads to destruction."

It's difficult to imagine the magnitude of suffering that will take place during a few terrifying years at the end of our age. Mercifully, that frightening time will quickly pass.

"The system - idol - false god" is attached to every child born in the present and near past. Proverbs 6:1-5 WARNS we are NEVER to be "surety", assume debts for another, on penalty of death. We are to do all to escape this "trap". Reads Proverbs 6:1-5. When children are born in a hospital and/or in the care of a "state-licensed-doctor" there is a "commercial-manufacturer's-Certificate of Origin" created and certified. It is called a "Certificate of Live Birth" (birth of a vessel/trust). That has a certificate of identity of the vessel (child); assigned by the manufacturer (mother; possibly father, as well) to the "corporate state" and accepted by the Bonded/licenced state's officer, the doctor. Once this "Manufacturer's Certificate of Origin" with assignment by Power of Attorney, corporate assignment, is complete, it is registered at the County Recorder's Office - Then with that, a BIRTH CERTIFICATE is created and held in the "Public (Corporate) Record" in the county and the entire package is timely forwarded to the STATE (corporate) BUREAU OF VITAL STATISTICS and registered there, "Certificate of Live Birth" a vessel with live energy for engaging in Commerce on the commercial sea; then that completed package is timely forwarded for registration with the UNITED STATES corporation as a BOND, suretyship for unlimited credit for the UNITED STATES and its situational creditors - lodged then at the DOCUMENTARY TRUST COMPANY, 55 Water Street, NY NY as the Certified record the original is lodged with the Vatican, Rome, Italy, a credit to the International Monetary Fund and the UNITED STATES - the baby and signed as "surety" for "Unlimited Credit" / "BOND". "The TRAP is SPRUNG". There is "The System - false god's" slave trade. That's bad news! There is good news - I'll share, as we go.

Our "prayer closet / war room" is where the war is won! This, only when we turn all over for Jesus, the Christ to handle all. We pray, act in faith in Him and He alone brings all to fruition.

I do not know what the future holds; but, I do know who holds the future. Let us rejoice in Him now and forever.

Jesus' follower,
Rex - Russell - Dean

P.S. Like Joshua, as for me and my family, we shall follow The Lord!

Dear Michael, Katherine & family,

(God) YHVH be with you! Bless you and keep you! "A time such as never has been, no, nor ever shall be again..." (Matthew 24: 21, 22).

Michael, you inquired of and we discussed a bit about prospects for war in our time. I pray this letter serves us as a starting point in the search for answers. We are walking "in the shadow of the Almighty" (Psalm 91). This temporal (temporary) life is a time for learning, for preparation for our eternal life with our Father in Heaven and our Redeemer, Yeshua Ha Mashiach (Jesus, the Christ) a time of testing. For as we are guided through these times we are able to grow into the people He has intended for us to be forever. We are not here for getting toys and worshipping them - Matthew 6: 24, and, 31-34.

I recommend you get the inexpensive history book: "Original Intent" by David Barton. Prior to 1930 you would have found its predecessor in the classrooms of U.S.'s across America. Today you DO NOT see it, nor its subject matter, any where near schools nor students. Today THE LIES are the curriculum. This is NO accident. Check out "Original Intent" - share it.

The 1st question comes down to "public-dead-pole-corporate" or "private-alive-The People". Which are you? A "corporate person/trust" or "a live man or woman or child"? This absolute diversity goes back to Genesis's 4: 12, etc. Those descendant of Cain, "cursed" have been behind the fictitious - corporate scheme for laying claim to the creation which they have NO claim to. By means of the corporate, they put themselves at the head of corporate and steal that which is "real/private" from the heirs of The Kingdom. The whole world is deceived by Satan and his seed!
