Dear Ruby & Eric,

By the grace of God, Greetings, my dear fellow workers in His Kingdom.

It has truly been a blessing having and studying the texts your generosity has provided. Surely you will be truly blessed!

As I write this morning - we surely must count our blessings, as we see The Lord at RevKunell & Dave work in the affairs of people. As in Psalm 138:7: "Though I walk in the midst of trouble, Thou wilt revive me: Thou shalt stretch forth Thy hand against the wrath of my enemies and Thy right hand shall save me."; in about His Father's work on our behalf for His glory, Amen! Nothing can separate us from the Love of Yeh Heh Vah Heh Messiah/Jesus, The Christ.

Our friend Louie has a radio and keeps me up on some of the things that are happening, as they, not so new, New World Order buckles under the weight of The Power of our Father in Heaven. The course of affairs of me in the hand of The Almighty. Thank God for His mercy and grace. Psalm 91, as well as 35 & 37. in As His new creatures we see a whole different perspective! Our prayers are answered; the mountains are moved! The more they oppress us the BRIGHTER the Light shines!  John 8:32!

Word from  our daughter and son, Amy & Mike is very encouraging as they have and are studying the "ORIGINAL INTENT" - They are sure to be sharing and The Lord only knows how far the waters of TRUTH shall flow Hallelu-Yah!

The mountains are never so high, nor hard, that the Lord cannot scale them. Consider Gideon and his 300.

I and Dana had no idea how far this river might take us March 1996, the day they kidnaped Leroy-Michael Schweitzer and Daniel E. Petersen, but we knew our Lord and we knew of Gideon. Thus, that 1st morning we sent two young men to the highest point to gather all the materials left behind by the kidnapers and to keep watch, as all the rest of us gathered in the small dining room of Ralph and Kay Clark for prayer and Bible study. I chose The Book of Judges, ch. 6 et seq. and the story of Gideon and The deliverance of Israel in the Hand of the Lord. Today we see how im-

portant patience and not wavering in the faith is, for His Victory that is sure! Psalm 91 sums it up! And Matthew 6:33 a sure course in Victory. The power of darkness doomed. We must consider always, how far our Lord Jesus had to go on Golgotha for the greatest Victory of all.

Health & Nutrition

We had the privilege through the chapel of learning crucial health information on a DVD presentation, "FORKS OVER KNIVES". I strongly recommend you view and benefit from this timely information. The Lord has so much for us to do, our health is a duty for caring for us that His blessings of strength may come to full fruition. I came from a long line of Cattle and Dairy people - Oops! This is a serious eye-opener.

by "The Flight" 4 February 2017, Saturday

"States' rights" - tho' I am all for controlling influx of people from other lands, Federal authority begins and ends at Port of entry and Continental borders. The states are foreign and rule within their borders - As we all know, "States' rights" never died at Appomattox Courthouse! District of Columbia trespass in our states; on "We-the-People", is corruption. Now it is rotting, stinking from sea to shining sea.

Jeff Davis was right!!!

"consent"! This single act is being "presumed" so the corrupt can act outside of law and deprive one of the protections of the law. The legal essence is when one "consents" with their trespass, it is no trespass and thus they have not committed a crime.

All is a LIE/FRAUD. This, the means, being used for taking America with out firing a shot; a Fabian Socialist take over.

When one refuses for cause, refuses consent the corrupt simply fabricate false records, use force, violence, media, etc., whatever it takes and destroy you. This is the whole modus operandi today. The power of The Ford our true recourse! "A time such as never has been..." Matthew 24:21; John 8:44.

We all need help finding my dear wife, Dana Dudley: Leaders. What retaliation have the corrupt used for disappearing her and at least 4 others mid-summer 2014? They all dropped off their web-sites, etc. Joseph Stalin; or Adolf Hitler were known to do such things to people. The united States of America ??? What have we come to ???

Who would ever imagine in the united States of America Patriots would be framed, locked away for decades as political prisoners in our own country? Well, believe it! Millions are being affected. ~~It~~ I would never have guessed it had ~~it~~ it not happened to my wife and I. Our extended family and circle of friends terrorized by people purporting to be ^{bound} by the Constitution and laws for protecting the people and their property. **DO NOT BE FOOLED!** NO ONE IS SAFE in America! John 10:10 comes to mind. Only in Jesus, the Christ is anyone truly safe.

The attack, tho' general, is particularly directed against our Christian people. This, for the wicked one knows he cannot overcome those who are well grounded in The Word (John 1:1, 14) Jesus, the Christ. True mountain movers are seldom if ever fooled. The Light is never over powered by darkness.

A court, as is the so-called US SUPREME COURT today, filled with perverses, does not uphold righteousness. On the contrary, they are groomed for enslaving the free, using strict legalism for overruling God's Law. They hate God, no matter what they might say. Not unlike those who sought to crucify our LORD! Satan and his demonic forces are driven by a nature and agenda of evil - That is the rotten core in this apple!

2/ You will see on backs herewith letter from Pastor Ralph Leo Dingle — letter he wrote on our behalf for President Trump and his contact information. Also, copy of transcription of President Trump's inaugural address. ~~☹️~~ A call for those of us who are falsely imprisoned; political prisoners who have committed NO CRIME! But who are victims of those corrupt within the government who've framed us and falsely imprisoned us. I let Pastor Ralph's letter speak for itself.

Our beloved united States of America suffer from the bad acts of a few bad apples, who will leave no crime uncommitted even against The People for gaining the whole world. It is time for all of God's people to stand up for righteousness and for sake of The Kingdom! "Have no fellowship with the ungodly but rather reprove them!" ad-lib Ephesians 5:11.

by "The Light" 6 February 2017, Monday (Psalm 136:1)

We walk steadfast in The Light. As we write I share; no one who has not experienced can ever fully understand how many people you will meet who should never have been arrested, let alone imprisoned for decades. Before this happened in my life I was often engaged in intervening on behalf of others, innocents, who were falsely jailed or imprisoned; but yet since I've learned it is even far worse than I knew then.

Greetings Russell,

In the Holy Name of YHWH, may his peace be upon you -
Just finished reading your most recent letter. Just mailed
(2/27/2017 - Indianapolis) - Most pleased to hear from you and
your comments on the NEWS article by Tony Bushby - and I
sent you just last week some more info on taken from
his book "The Crucifixion of Truth" - another feast for the bit of
hidden truths - I am enclosing two articles with regards
to the "Pope" and the Freemasons/Knight of Malta/Temples
and Trump. Also Trumps Inaugural Address - very impressive!
and a copy of my letter to President Trump on behalf of
Van Hugel and yourself - which was delivered to the White
House at 4:17 AM this morning - I'm praying that the right
action will be taken for both of you - It's all in YHWH'S
hands and his will be done!! Really looking forward
to you, Van and myself meeting in person to talk about
our Heavenly Father's Kingdom here on Earth -

YHWH bless,
Paster Ralph Leo ph. (248) 620-0782

Enclosures:
Trump I newsguard Address (3) pgs
Pope Francis Order All Freemasons Expelled (6) pgs
Expanded Pope Francis Knights of Malta Letter - (4) pgs
my letter to Pres. Trump (3) pgs

Freemasons/Knights of Malta/Knights Templars = Truth?
Pope/Vatican/Holy See/Rome Church = Lies?

How do you like my office? Yak, right! And bridges

go on sale right after lunch - Ha! Ha! (smile!). ~~Oh~~ ~~are~~ not treasures on the earth. I pray for the poor souls who work in these gulags for they know not what they do. Surely if they did, they would quit today.

One thing I find really difficult to relate to is as little as 50 years ago

they did not do near so much of this to people; and, 100 years ago — NO victim; NO crime. 1890, 100 million Americans, less than 60,000 in jails or prisons nationwide; and, rarely a sentence more than a few months.

"Gradualism" of the corrupt, anti-American Fabian socialists was yet unheard of then; Woodrow Wilson; ... FDR ... etc.; Kennedy; ... Clinton; ... Bush; ...

Obama changed all that ... One World Communist [Satanic] Order has been on a roll. Massive prisons to silence opposition for profit all part of the SCAM! Anti-God; moral degradation all part of the TREASON! "Who has eyes to see; ears to hear?" — Jesus. Persecution of the Saints all part of their satanic scheme of things. Let us never forget who the enemy is!

Consider James' words — step forward in faith. Faith without works is dead. There's more to our role as Christian soldiers than bake-sales and clothing drives!

Re: Richard Everett VanHazel and Russell Dean Landers

Most Honorable President Trump,

I took note of your great Inaugural Address speech to our country last Friday. It was like a breath of fresh air for those of us who love our country and our Heavenly Father, the Eternal YHVH.

I paid close attention to your words about "The forgotten men and women of our country will be forgotten no longer." It is for this reason that I am writing you about two of those forgotten men whose names I have posted above. I pray that you will honor your promise that they will be forgotten no longer.

The first man is Richard Everett VanHazel who served his country honorably for many years and became the third highest decorated soldier in our nations history, ranking only behind his second cousin Audi Murphy and retired U.S Marine General Hackworth. I personally wrote to General Joseph F. Dunford regarding Richard Van Hazel and have enclosed copies of that correspondence for your consideration and course of action to be taken on his behalf. Sadly to say, General Dunford never acknowledged my correspondence and appears to have made Richard one of the "forgotten men" that you spoke about. Richard has been a victim of the totally corrupt legal system in Michigan as all of the evidence will show. His release from his incarceration was issued back in September 2015, and yet he is still being held captive at the Oaks Correctional Facility in Manistee, Michigan.

The second man is Russell Dean Landers, the last of the Montana Freeman, still being held captive at the Federal Corrections Facility in Terre Haute, Indiana. Russell has been incarcerated since 1996 and is not scheduled to be released until December 2, 2040. His so-called crime was wanting to live free on the land and not

subject to the whims of a federal government that wouldn't or couldn't allow the Montana Freeman to live as freemen. He injured no one, he harmed no one, there was no corpus delicti or victim in his case. Yet he has already served 21 years in prison with another 23 years to go. Russell is 65 years old and if he should survive being held captive for another 23 years he will have reached the age of 88. Most of his sentence was held in solitary confinement; he hasn't seen his wife in all of that time, is allowed just one phone call a month to speak with her, which he hasn't been able to do for one reason or another. What the corrupt federal government has done to this man is absolutely an abomination in the eyes of YHVH, our heavenly father. All of the other Montana Freeman have been released and back home with their families except Leroy who died while serving his sentence.

I sincerely hope that you will see that both of these "forgotten men" will no longer be "forgotten" and that you will do what is right and just and Order a complete investigation into their cases and do what is honorable, that being Ordering their immediate release from captivity. In the case of both of these men, there was no injured party, no corpus delicti, no nothing except worthless words on pieces of paper. Under the Laws of YHVH, there has been no crime committed by these men.

May the spirit of YHVH move upon you to bring justice to both of these men. And as YHVH told Pharoah, "Let my people go."

Respectfully yours, *Ralph Leo Daigle*

7/ Our Creator created the entire universe. Dare we fail for
He it is who has assumed the Victory. We are
not to fear what flesh and blood can do. That
surely seems simple enough, doesn't it. 
Real cowboys won the West. You didn't
think they did it alone, did you?

"There ain't nothin' good easy!"
- Arthur K. Williams

There's much more to it than pancake
breakfasts — car washes and chicken dinners.
Jesus did not have an easy road — so what would
make us think we are so special as to walk
right into bounty forever without overcoming?
At least, unlike Him on that cross, we are never
alone!

Like brother Joshua we are called for de-
ciding this day whom we will serve.

Tho' I do my best to avoid mumbojony I take
a couple lines here for letting you know how
the collapse is affecting our meals and the
toxic water we are cursed with drinking and show-
ering in. They have not been able to come close
to the alleged menu. Portions and quality, even
combinations are tanking — **BUSTED!!!** There is
NO way it could possibly improve. And equipment
is neglected, e.g. our ice machine has NO filter.
The water has so much sediment, pollutants from
1930's plumbing — polluted — staff bring their own drinking
water. We are stuck with the poisonous exposure without
any source of relief. I have sores on my head, back,
arms, hands & legs and feet — toxic water — and no doubt
they use the same toxic water in food preparation. I
am reminded of "The Hiding Place" prison conditions in
Nazi Germany — not a stretch for long here! 

(APPLAUSE)

At the bedrock of our politics will be a total allegiance to the United States of America and through our loyalty to our country, we will rediscover our loyalty to each other. When you open your heart to patriotism, there is no room for prejudice.

(APPLAUSE)

The Bible tells us how good and pleasant it is when God's people live together in unity. We must speak our minds openly, debate our disagreements honestly but always pursue solidarity. When America is united, America is totally unstoppable.

(APPLAUSE)

There should be no fear. We are protected, and we will always be protected. We will be protected by the great men and women of our military and law enforcement. And most importantly, we will be protected by God.

(APPLAUSE)

Finally, we must think big and dream even bigger. In America, we understand that a nation is only living as long as it is striving. We will no longer accept politicians who are all talk and no action, constantly complaining but never doing anything about it.

(APPLAUSE)

The time for empty talk is over. Now arrives the hour of action.

(APPLAUSE)

Do not allow anyone to tell you that it cannot be done. No challenge can match the heart and fight and spirit of America. We will not fail. Our country will thrive and prosper again. We stand at the birth of a new millennium, ready to unlock the mysteries of space, to free the earth from the miseries of disease and to harness the energies, industries and technologies of tomorrow. A new national pride will stir ourselves, lift our sights and heal our divisions. It's time to remember that old wisdom our soldiers will never forget -- that whether we are black or brown or white, we all bleed the same red blood of patriots.

We all enjoy the same glorious freedoms, and we all salute the same great American flag.

And whether a child is born in the urban sprawl of Detroit or the windswept plains of Nebraska, they look up at the same night sky, they fill their heart with the same dreams and they are infused with the breath of life by the same Almighty Creator.

So to all Americans in every city near and far, small and large, from mountain to mountain, from ocean to ocean, hear these words -- you will never be ignored again.

Your voice, your hopes and your dreams will define our American destiny. And your courage and goodness and love will forever guide us along the way. Together, we will make America strong again. We will make America wealthy again. We will make America proud again. We will make America safe again. And yes, together, we will make America great again. Thank you, God bless you, and God bless America. Thank you. God bless America.

8/ Our Lord, Creator and Ruler of the Universe, Jesus, the Christ, is our Rock in this storm! His Light shined even so bright. The powers of darkness are absolutely DOOMED! Obadiah 17, 18. 21

Much certain to be fulfilled in our days! Wow!

Indiana has a very bad reputation, for during the Civil War 100s upon 100s of Confederate POWs ~~did~~ died in grossly inadequate conditions in this state. The reputation here at Terre-Haute is nasty!

When the whole TRUTH is fully EXPOSED re America; USSR, NAZI occupied Europe and Red China will not look any worse. When I was in Montana, I was privy to a photo and documentation where 25,000 Chinese laborers who had worked building crosscountry rail lines were herded into a box canyon and murdered - shot. There has been all too much of the Devil's work done by the United States. The cover ups and corruption MUST be called to account and STOPPED! Our Christian People must step up! Or the blood is on our hands!

Truly privileged for being called for doing our Heavenly Father's work;

always for Jesus,

Rex-Russell Dean, a servant!

DONALD TRUMP'S INAUGURAL ADDRESS

Chief Justice Roberts, President Carter, President Clinton, President Bush, President Obama, fellow Americans and people of the world, thank you.

(APPLAUSE)

We, the citizens of America, are now joined in a great national effort to rebuild our country and restore its promise for all of our people. Together we will determine the course of America and the world for many, many years to come.

We will face challenges. We will confront hardships. But we will get the job done. Every four years, we gather on these steps to carry out the orderly and peaceful transfer of power.

And we are grateful to President Obama and first lady Michelle Obama for their gracious aid throughout this transition. They have been magnificent. Thank you.

(APPLAUSE)

Today's ceremony, however, has very special meaning. Because today, we are not merely transferring power from one administration to another or from one party to another.

But we are transferring power from Washington, D.C., and giving it back to you, the people.

For too long, a small group in our nation's capital has reaped the rewards of government while the people have borne the cost. Washington flourished, but the people did not share in its wealth. Politicians prospered, but the jobs left. And the factories closed.

The establishment protected itself but not the citizens of our country. Their victories have not been your victories. Their triumphs have not been your triumphs. And while they celebrated in our nation's capital, there was little to celebrate for struggling families all across our land. That all changes starting right here and right now. Because this moment is your moment. It belongs to you.

It belongs to everyone gathered here today and everyone watching all across America. This is your day. This is your celebration. And this, the United States of America, is your country.

What truly matters is not which party controls our government but whether our government is controlled by the people. January 20th, 2017 will be remembered as the day the people became the rulers of this nation again.

The forgotten men and women of our country will be forgotten no longer.

Everyone is listening to you now. You came by the tens of millions to become part of a historic movement, the likes of which the world has never seen before.

At the center of this movement is a crucial conviction -- that a nation exists to serve its citizens. Americans want great schools for their children, safe neighborhoods for their families and good jobs for themselves.

These are just and reasonable demands of righteous people and a righteous public. But for too many of our citizens, a different reality exists. Mothers and children trapped in poverty in our inner cities, rusted out factories scattered like tombstones across the landscape of our nation, an education system flush with cash but which leaves our young and beautiful students deprived of all knowledge. And the crime, and the gangs, and the

drugs that have stolen too many lives and robbed our country of so much unrealized potential. This American carnage stops right here and stops right now.

We are one nation, and their pain is our pain. Their dreams are our dreams, and their success will be our success. We share one heart, one home and one glorious destiny.

The oath of office I take today is an oath of allegiance to all Americans. For many decades, we've enriched foreign industry at the expense of American industry, subsidized the armies of other countries while allowing for the very sad depletion of our military.

We defended other nation's borders while refusing to defend our own. And spent trillions and trillions of dollars overseas while America's infrastructure has fallen into disrepair and decay. We've made other countries rich while the wealth, strength, and confidence of our country has dissipated over the horizon. One by one, the factories shuttered and left our shores with not even a thought about the millions and millions of American workers that were left behind. The wealth of our middle class has been ripped from their homes and then redistributed all across the world. But that is the past and now we are looking only to the future.

We assembled here today are issuing a new decree to be heard in every city, in every foreign capital and in every hall of power. From this day forward, a new vision will govern our land. From this day forward, it's going to be only America first — America first.

Every decision on trade, on taxes, on immigration, on foreign affairs will be made to benefit American workers and American families. We must protect our borders from the ravages of other countries making our products, stealing our companies and destroying our jobs.

(APPLAUSE)

Protection will lead to great prosperity and strength. I will fight for you with every breath in my body. And I will never, ever let you down.

(APPLAUSE)

America will start winning again, winning like never before.

(APPLAUSE)

We will bring back our jobs. We will bring back our borders. We will bring back our wealth, and we will bring back our dreams. We will build new roads and highways and bridges and airports and tunnels and railways all across our wonderful nation. We will get our people off of welfare and back to work rebuilding our country with American hands and American labor. We will follow two simple rules -- buy American and hire American.

We will seek friendship and goodwill with the nations of the world.

But we do so with the understanding that it is the right of all nations to put their own interests first. We do not seek to impose our way of life on anyone but rather to let it shine as an example. We will shine for everyone to follow.

(APPLAUSE)

We will reinforce old alliances and form new ones. And unite the civilized world against radical Islamic terrorism, which we will eradicate completely from the face of the earth.
