Letter Rogatory

by "The Right" 14 March 2017, Tuesday

For: Rudy & Erin Davis.

by & thru Jesus Christ,

Greetings in the name Jesus, the Christ.
 You are in my heart and my prayers at all times. By His Mercy and Grace surely goodness and mercy shall follow thee all the days of your lives "Amen." (Ps 23).

The enemy has no claims that could ever supersede

the Seal on this page. Yad He Veh

He (YHVH) rules all! The imposters

who's idol is "the system" their false "god", hate the one TRUE GOD; and thus hate our Lord's servants. The TRUE advent will surely settle all. ☺

They especially hate my 16 February 2008 quote as part of my Seal thereafter.

The article about the Patriot Schuyler Pyatte Barbeau is a very well put article. "Honor" is not properly used for describing those who blindly do whatever they are told by the corporate bureaucracy. Millions of young men swore allegiance to Adolf Hitler. Today millions are sworn to the Potomac Mafia and the, i.e., Austin Mafia. This instead of protecting the life, happiness and property of our brothers and sisters in Christ. His reference to Schutzstaffel (SS) misguided allegiance fits the Vatican's FBI to the "T". (Opus Dei).

Sadly many people get involved in crime families such as FBI imagining it is legitimate and are far from discerning. Thus, they willingly violate others, void of conscience.

The TRUTH needs no defense and the LIE has none.

We must at all times be firm in our trust in the Lord. He alone guiding us and directing our lives. Let us give thanks always for His ever presence. We are called for stepping up in every circumstance, knowing all things work together for those who love the Lord.

Here, I'm witnessing more and more people with good hearts coming to the realization that they are doing grievous wrongs; sins against people on behalf of a totally corrupt, satanic force, a deception, a LIE, as if it were "the government". They are at odds with every precept of the Word. They cannot long sell their soul for such an idol/false god - "the system". It is all rotting as prophesied from within. Meanwhile (Matt. 5:20), they cannot help but see they are the instrument of persecution; as we see clearly, even in this ours is the incorruptible "Kingdom of Heaven". Glory Halleluliah! I pray for them none-the-less - The Lord can handle it all. (Matt. 5:44) Surely we may be children of our "father which is in heaven" (v. 45).

I am truly thankful for "Original Intent". It should be in the hand of every student young or old. The Lord's hand is surely ahold of Mr. Barton's heart - that seed must surely grow along side the KJV Bible! I was 7 years of age when I received my 1st copy of the KJV of the Bible. I've never been one to drift off to all those that are come after. It is such a blessing!!!

On the next page I'm sharing a warning I wrote called: "REAL ID". So many developments in the last 10 years point to just such an object lesson becoming real. Deuteronomy 28:15-68. The Lord alone, our Rock in the coming storms. (Matt. 24:15; 21, 22). May we all see "The Flight" and safely huddle under the wings of the Almighty, Psalm 91.

REAL ID

You will not be allowed to be in possession of anything that you cannot associate with "your" **REAL ID** ("Mark") and the transaction that gave you possession. You will not be able to enter nor leave a state, county, city or town without your **REAL ID**. You will not be able to enter nor leave a public building, mall, or store without your **REAL ID**, which will create a record of the time and day you went to any of these places. You will not be able to purchase seeds, food or anything designated as contraband. Possession of such will be loss of your **REAL ID** and imprisonment. Loss of your car or house or wherever you possessed it. And without your **REAL ID** you have no place you can go, nothing you can be in possession of, that does not subject you to imprisonment. No one can provide you with anything in prison camps, and if they have contact with you they will lose their **REAL ID**.

Are you getting the picture of
the cashless "New World Order"
that Satan has in mind for
You?

Your **REAL ID** please!

Oh, you don't have it? You are under arrest!
Assume the position or DIE!

4 When there is smooth sailing it is a time for thanksgiving and preparation; for placing our trust in Jesus. For when the storms in life come, as most assuredly they will, we must have our trust in Him who overcomes and calms the storm. It is when we are buffeted that our Redeemer's mercy and grace is most generously abundant. Thanking Jesus He is ever present.

by "The Flight" 16 March 2017, Thursday Dearest friends in Christ - my friend Ronnee just shared a beautiful work he did for his dear wife for their anniversary. I was blessed to see it. He worked all through the night on it. I

I've been asked to wake him for mail-call, as he's getting some rest.

The difficulties surfacing for the wicked are evidence of the righteousness of our Lord Jesus, the Christ in these last days. All things shall be fulfilled. HalleluYah! There is, no doubt, far more afoot than we are privileged to see. God's mind is not our mind; God's spirit far greater than ours; God's will unsearchable. His Victory our award. The enemy can never touch that reward.

Disruptions at CIA in Martinsburg, Virginia, allegedly the result of snow storm, have resulted in delays in e-mail; and even snail-mail here. But they cannot impede God's will; plan; purpose!

I'm sorry I've not managed to get through by phone this week. I've got only \$1.63 on phone account so it will be brief, but a blessing none-the-less when we're able. God knows what the best time will be. Bless you! Surely He is!

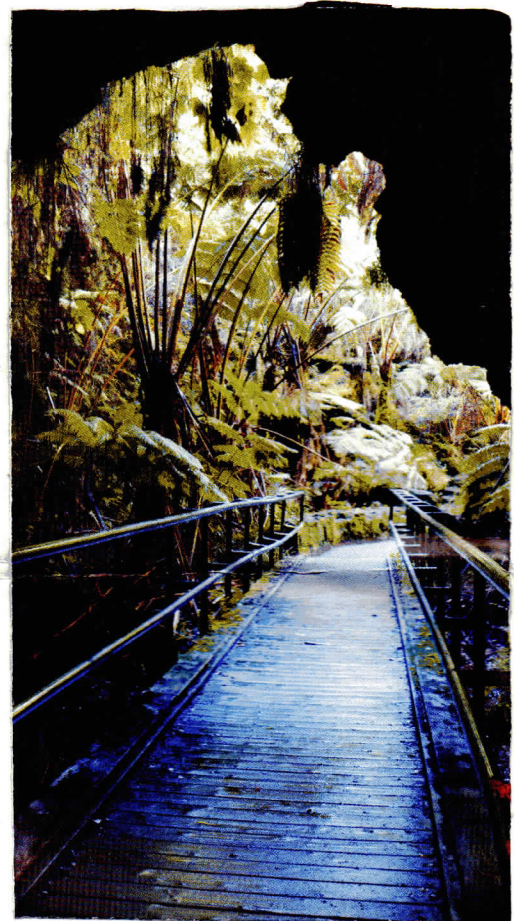

We are so blessed for our Lord Jesus has granted we are given the narrow path that leads to salvation.

We need not ever fear for our Lord is with us now and forever. Glory HalleluYah!

Thanks to your caring mission three of our fellow Christians have written and Christ extend their love and hope after seeing your cyber work. The Lord ever moving in those who know of Him and who are His. Rivers of living water stretch out before us. Because Jesus lives!

I have been reading Les Misérables a bit each evening. It is a moving account of life. We had a Moody radio drama based on it some time back. It is an account not unlike that of men and women today. Humility raised in rich potting soil of adversity for good of those who love The Lord. Thank you, dear friends. I compare it with "The Hiding Place" and learn a great deal about the strength we acquire in the testing fire of adversity. Psalms 23; 31; 35 and 91. I pray you are blessed today and always, dear brother and sister - in Jesus' name, Amen.

News and interviews on BOTT Christian radio is disclosing the downward fall of the corrupt idol/false god the system - as the world (der Welt) is being EXPOSED by the WORD (der Wort). Let us all on bended knee thank our Redeemer Jesus and our Heavenly Father for His mercy and grace in His fullness this day! - The powers of darkness have no place in "The Light" of our Lord. The more the LIARS LIE the deeper they sink. SO IT IS!

"Woe unto those who call good evil and evil good" - Jesus.

As I share here, 19th March, I rec'd your 2 e-mails, with a very thankful heart, earlier today - Thank you from the very bottom of my heart! 11 God bless you dear fellow servants in Christ! 11

Mark ch. 6:1-6, we see how critical our "perception" our "attitude" is in receiving Jesus in our circumstance. People in his home town were not only missing His blessings, His presence, they were even offended to think Jesus was so much more than who they were familiar with. In our perception, He is all mighty God or are we taking him for granted and trying to go it alone? Self... pride... nature of wanting to be independent from God has serious consequences. Surely we can all benefit from humbly trusting dear Jesus. I pray this prayer for us all! Amen! 11 There is nothing common about Him - HE IS AWESOME - No matter how desperate our circumstance, He alone is above it all. Like the prodigal son's father, He is always reaching out for us; He will bring us Home! 11

It is wonderful to think Dr. Wallace's "Epi-genetics" will be educating us. I look forward for the opportunities for sharing healing grace. The 11 Gods will heal in our day to. HalleluYah! (I am reading 11 Oes Misericordias 11 these evenings.) I pray we are one day blessed with that dinner! 11 We do have an eternity for catching up. Glory HalleluYah!

by "The Light" 20 March 2017, Monday

Prediction of warmer temperatures. I dread this confined in this condemned building. The heat means miserable conditions. Last year I passed out from overheat and dehydration. I've learned to drink water constantly. Such conditions are torture! There's no real solution - And now the broken down ice-machine does not work. Cold water at faucet is often so polluted it looks like coffee or tea SO BROWN and it often smells bad. No options for us in here. (FIXED ^{later} again for now.)

Persecution of TRUE Christian Patriots is far more wide spread than people realize. People are so ill-informed of the TRUTH of what is really going on - it's a very deep destructive ditch. Those who speak out in TRUTH are often framed, secreted away under false pretenses; or worse disappeared or murdered. And most have NO CLUE what has happened to them. Neighbors just across the street are totally unaware; or when their neighbor are surrounded with Ninja Troops and dragged away - peek out the window and says "I didn't know they were involved in anything." This is not only happening - it has been happening for decades.

Millenials were taught "Ninja Troops" are the good guys. - Get it? - God was never in the TV programs; movies, etc. Why is that? Hum!

Even those closest to us (Matthew 10:36). When I was finally able to call my folks, then living in Iowa, my parents who had known me all my 46 years; my

mother's very 1st question was, "Rex, what did you and Dana do now?" I retorted and my father on the other extension said, "You had a gun in your van in New York." Nothing about our new van having been STOLEN months earlier ^{in NY} - I ~~said~~ asked, "What's behind the seat in your pickup? - in your car? - That was my service revolver I'd had with me for over 25 years. Where should it be? - All their concerns were out of the LIES of the MEDIA - This is all too COMMON. WAKE UP AMERICA! We did NOTHING wrong - we were victims - NEVER criminals, or even close!!! 57 years in prison at age 46 ??? for events that NEVER happened! ³⁻² ₁₋₁

We are His! Creator and Ruler of the entire universe. How then therefore should we be anxious for any thing?

8, God bless dear brother and sister. I thank the Lord we had a wonderful opportunity to share a conversation this evening. I have certainly learned to give thanks to the lord for all great and small.

"Be of good courage, and he shall strengthen your heart, all ye that hope in the Lord."
Psalm 31:24

As I'm writing I have a blessing of a lettuce salad & saves and four slices of bread with butter. I only need to watch "The Hiding Place" once in a while to be reminded how much we have to be thankful for. Tonight I'm especially thankful for your kind conversation. Surely the Lord is blessing us! His certain victory over with us; everlasting - HalleluYah!

I don't mean to be cruel, but, as an Iowa, I have to break the news, all the cowboys don't live in Texas -- Haha! (Smile!) (Sure do miss my hats and boots -- a long time to miss been' on horse back). May the Lord truly bless you! ☺

One day at a time - Matthew 6:34... We must at all times follow Jesus' example and be about our Father's work. (Matthew 5; 6; 7 our guide through all life).
"Angst Niemand Klein Rede!" (German: "Fear Not Little flock")

My friend Ronnie has a very good heart. He and his bride Karen surely have endured much - Our blessing = Matthew 5:16. These days of Lent a reminder of our victory at the cross and in Jesus' glorious resurrection. HalleluYah!

Lots of life is about planting seeds; who knows where they may grow. I'm reminded of one evening Dana and I went out for supper at a pleasant steak restaurant a little west of the Holiday Inn at Ft. Collins, Colorado. As always we were in our Western wear; and, a Japanese family kindly ask if they could have pictures with us. They were tourists and wanted to show they'd met cowboys/cowgirls in America. They took several photos with the different family members. Who knows where they are today? ☺

9 I recall a serious meeting indoor pool side - Mid-December 1993, where ~~we~~ 20 some people, Americans, committed to saving our country, gathered at indoor poolside, as Gen. Roy Schweitzer, Ret. addressed us about our mission(s). He started by warning some may face deadly force; some may suffer other losses, many may well face assaults, arrests, imprisonment. We were all offered the opportunity for giving up and leaving. None left. Some have since died - Nearly all have suffered persecution; arrests; most imprisonment; loss of property, etc. I see things finally being accomplished that were foretold there. A hand full of Christian soldiers selflessly putting them selves in harms way for the Kingdom. Our certain hope in the King of Kings. I can testify, we heard the general, but did not imagine how bad it could really get, right here in America, as we met that day at the Holiday Inn; Ft. Collins, Colorado. 1 America is under attack from within and from the without. Our King, the Word, the true Hope!

Want some shocking - real history? This is for all our friends; not for us. We know. GOTO: www.greghallet.com - be prepared for total shock and awe! in There is one common enemy. This world is not our home! II Peter 3:10-13. - Prov. 3:5,6.

by "The Right" 22 March 2017, Wednesday ITn 1:5.

The Word, Jn 1:1, is with us - you are in my prayers dear fellow workers in the Kingdom.

It's a quiet, cool morning here in the gulag/concentration Kamp on Amerika. These are persecutions of millions of The People and their families, and yet people largely have no clue THEY ARE NEXT! It has NOTHING to do with crime and punishment. The most seditious part is, they seek to call all who stand in Christ; all who know and who tell the TRUTH. Yes! Right here on America which the enemy Satan and his hate more than any other. (John 10:10).

10/ I hear people often say they are going to run away from Amerika - imagine there is a Shangodah awaiting them. Board a bush plane or ship at sea and get away. Truly such have NO CLUE. There is only One Rock (Matt. 24:15) in this storm. The word is clear. Those who seek to save this temporal life SHALL LOSE IT! Let us lay up treasure in heaven where moth nor rust can destroy it. That bush plane and all on board is sinking sand. O' my, when the Bride Eroom comes I pray we are ready.

Amer (heavenly) rika (Kingdom) [Celtic]. This is why the wicked HATE our "America First: Basics of Law". The devil hates the Heavenly Kingdom for he is cast out forever. Note: the enemy shortens the corporate imposter reference to UNITED STATES. That eliminates reference for "America".

The TRUTH needs no defense; and,
A LIE has none!
