"When a well packaged web of lies has been sold gradually to the masses over generations, the truth will seem utterly preposterous and its speaker a raving lunatic."

Dear brother Will,

The Lord bless you and keep you - your generous help surely I pray your care and help be multiplied. I was so blessed by your generous letter and help. This isolation - persecution an affront against the WORD (Jn 1:1) of TRUTH - yet the perfect promise Matthew 5:10, 11 as our Lord taught us The Way of Life on the Mount chs. 5-7.

 May we have wisdom, understanding, strength for walking with our Lord Jesus in His purpose - "Thy Kingdom Come". Bidkos AV of KJV day-by-day. "Our" record in Heaven for Yab HeVah He Messiah/Jesus, the Christ's glory, truly GREAT! We are, by His mercy and grace, a brotherhood of His servants, His special men. By His grace we share.

Because of the health assault on us all; and necessity for helping others I would count it a blessing to read "Dead Doctors Don't Lie" by Dr. Joel Wallach, DVM, ND. Study nutrition - with prayer - and

2/ Our wellbeing can be much more vital than the AMA and commercial food production and delivery systems would allow.

I have  had little or no funding for several years as some supporters have passed away, our now grown children under economic stress due to growing family responsibility and loss of mine and Dana's support. My wife and four other who were working towards my lawful, legal liberation MIA since about July 2014... Family have not been able to find Dana and the other four  We truly are in our Lord's hands exclusive of us. Of course, always TRUE!

I include herewith a historic document that spells out just one event that we have endured at the hands of the corrupt, fraudulent attack on all of God's people in America. (Deut. 28:15-68). We find ourselves, tho' we made many errors, standing in the faith where our Lord wants us.

Please forgive me if in writing I repeat something I have written earlier - I have no records and it's easy to repeat. 

My wife and I are sure in the Lord. We never imagined the TRUTH could be so dangerous - We see up close the type of evil that crucifies our Lord. - Our One hope, all of us, is in The WORD John 1:1, 14!

I was 7 years old when I received my 1st KJV Bible at St. Peter's Lutheran Church in Greene, Iowa. That was 60 years ago - it has been with me ever since. My father all the while I grew up emphasized, "Right-is-Right" - and held me to that standard.

As an adult I soon learned there is corruption in the world. In 1971, I was contacted by people I had known all of my life who were asking me for going out - speaking out - using my knowledge and insight for helping EXPOSE the corruption - showing people how to save their farms - ranches - businesses - families - liberty - I dug my feet; was not anxious to expose my self (I knew in detail how law; legalism; finances; corporate world worked) and my family by EXPOSING the evil and sharing Christ with corrective measures. --- March 1973, I forfeited licenses (Securities, insurance, real estate) \$4-6000 per month residual ^{income} plus my business I gave to 5 of my managers - and trusting the

WORK, still fighting a battle with Iowa Attorney
General Bonnie Campbell re my business where we
helped people protect their estates for generations —
no exposure to probate; estate taxes; inheritance
taxes — etc., and began speaking daily all across
the mid-west.

This put serious stress on my marriage — the
AG lied to my 1st wife, Becky, and in secret, she
arranged for and divorced me. I gave her our
home and all of our resources as I did not
want our children harmed any more than this
would harm them — NO hurtful words ever
spoken. ... And I continued forward none-
the less.

Late summer that year with no desired
intent I met my present wife Dana and fall
of 1993 we were married —

I was consulted by Gen. ^{Schwartz} ~~Swastinger~~ (ret.)
and others asked, could we have seminars all
across America — Prayerfully we worked out
the details, stepped forward networking and by
December 1993, had meetings being done from
Maine to California and Tacoma to Orlando,
all across America — By then Dana and I were
doing seminars for I every day all across America.
And representing inquirers legally by phone — fax
and mail — court appearances, etc.

I'm leaving many details out. In late January we stopped over at Justus (Col. 4:11) township 25 miles over Jordan, Mont. Exchanging info with the men and women the corp. Gov't and media dubbed "The Montana Freemen". We were planning, when the assault and stand off started with the kidnapping w/out warrant of Odey Michael Schweitzer, and Daniel & Peterson 25 March 1996; to meet several fellow travelers to join us and travel to Northern California - Oregon to spend 90-120 days doing our seminars, "America First: Basics of Law" (never got there) - as we then planned to go to Denton, Texas and do another 90-120 days for seminars before return to our home in rural 4 Oaks (never got there). There are of course many many details! Our hope = Matthew 5:10, 11, etc.
