

by "The Light" (I Jn 1:7) 8 June 2017, Thursday

Dear Therese,

With "JOY" I received your letter and enclosure of 29 May on 6 June, Tuesday. So glad to know of friends and family who are working for righteousness sake! Such projects by the Saints are sure to yield good fruit.

In light of questions: 1) we were kidnapped without a warrant on Indian Country (NO federal authority) by force of arms on 13th day of June 1996; 2) have NO cc of indictment; was never indicted as my wife, Dana, and I were "added" to a so-called indictment, after the fact, on what they call a superseding indictment where they listed us as "DANA DUDLEY LANDERS" who was a US citizen; and, "RUSSELL D. LANDERS" who was a US citizen in Montana; I was added 17 July 1996, to a so-called superseding indictment in the Eastern District of North Carolina; and much later after the DISCHARGE of Montana and North Carolina, on or about 17 June 2007, a FRAUD, a so-called indictment in the Western District of Oklahoma; case nos. (MT) 1:95-cr-00117-007-JMB; (NC) 5:96-cr-00034-WEB; and, (OK) 07-cr-154-D.12/02/2040 is likely the date posted by the Department of Justice on their web-cite.

Our friends should know that I have no way of verifying everything, but it seems that what they have done to correspond, etc. has been being delivered/accounted for.

Check in with Dr. Joel D. Wollack on-line, or at your local public library; adjust your diet and life-style as his information, and guidance advocates and not only your memory, but your whole life will be completely renewed. Books I recommend: "EPIGENETICS" ;and, "DEAD DOCTORS DON'T LIE". You will be fascinated, shocked and in touch with the health our Creator intended for us.

Eustice Mullins has had a profound effect on so many of us who have loved the LORD, loved our country and hoped for God's Kingdom on earth.

Unto whom much is given, much is required. When our Lord said those words, He was directing those of us whom He would call upon for helping with His people through the course of time, that his purpose be fulfilled.

You need not apologize for your perspective re the Law and our "former" Republic. The 23 Protocols, #9 reserves "FORCE" to those who have been breathing fire upon the earth in darkness. They make "NO" laws; conduct themselves as if there were no absolutes. Liars always refuse to stand firm on anything. There is ONLY "One" Law-giver and He sets forth everything for good as "absolute". It is not a responsibility charged to everyone. In the time that our people came out of Egypt with Moses, Moses and those he appointed later had the responsibility for maintaining the Law as the Creator had given it; and, others had the gifts and responsibilities charged them.

The enemy can ONLY do that which the Lord allows. We see this in The Book of Job, as Satan seeks to destroy that man of God. The Lord is never far from us. He will never allow more than we are able to endure; and, it is His purpose to prepare us for His eternal glory, sure to bless us beyond our ability for imagining the fruit of his promises. He never forsakes us!!!

The WORD is clear. Satan rules the kingdoms of this world. We are the leaven to assure that it does not get too far out of control before all things are fulfilled.

In recent studies I have found evidence that sends chills up one's spine, as they examine the evil that has resulted from the exploitation of the mind of man with the indoctrination of "evolution/Darwinism". As that sucks The WORD and the Creation foundation out of the hearts and minds of the people, morality and sound judgment are not possible. This wasteland of immorality and aimlessness is in fact what is now prevailing upon this anti-christ society that wilfully denies the existence of God.

Your quotes: Romans, ch. 1 well state the world we live in today. The case of reprobate mindedness is well affirmed. Clearly time and the fulfilment of all things marches forward. A stand of: "past the point of no return in our rebellion" must be on-point.

With "evolution" robbing the generations of the firm foundation of The WORD, the human perspective is a "LOST BALL IN TALL WEEDS". It is no secret that such as Richard Dawkins has a serious "disconnect" problem to say the least. He has been know to cherry-pick whom he will debate, for even he knows that his bucket will not hold water.

Your insert of "THE SIXTEEN GRANDSONS OF NOAH" is a piece of evidence that counters such foolishness as the Selection of the fittest. Question: If Darwin's "selection of the fittest" were true, why would it ever happen? And who is doing the selection. Not to mention how does one imagine that there in the 1st place could have been the fittest of "nothing" to start with. Reprobate minds!!!

By the Grace of God, Yad He Vah He, I look forward for the sharing of good information and truth as it becomes available. May the Lord bless and keep you! [Numbers 6:24-27]. We are on the door step of His wonderful promises, now and forever.

with Love and courage
because He lives,

Rex-Russell-Dean

Glory HalleluYah!
