Terms & Conditions

To due high demand, your place on a course is not confirmed or guaranteed until full payment is received. If you book a course and payment is not received within 48 hours we reserve the right to re-sell the place. If for any medical reason you or baby are not able to start your booked course at the commencement we are happy to backclass you to the next available date. If you cancel your course for any other reason there is a £20 cancellation charge up to 14 days before your start date. Within 14 days, due to short notice then no refund is due unless we do re-sell your place, the £20 charge does still apply to cover administrative costs. If you begin a course and cannot complete the full six weeks then we are unfortunately not able to offer any refund of course fees as we are then unable to fill that space. However we will do our best where possible to include you in a future class. No refund is due for missed sessions due to holidays or sickness. On rare occasions it may be necessary for us to reschedule a class due to matters beyond our control including adverse weather conditions etc. If this is necessary we will reschedule the class on a suitable date ensuring all lesson subjects are covered and courses completed.

We offer scheduled classes, private groups and personal tuition.
