

## The Power of JDL Technologies

When you engage JDL Technologies, you benefit from the power of superior expertise, solid solutions, satisfied clients, and strategic partners. And that translates to an exceptional IT experience for you.

### The Power of Superior Expertise

At JDL Technologies, certified, expert technologists and engineers comprise 80 percent of our staff, because we're committed to crafting the best valued-based solutions to meet your requirements today, and tomorrow.

- Collectively, our experts possess more than 300 years of technical experience, and
- Maintain more than 100 industry and professional certifications across a wide range of specialties.

No other technology solutions provider comes close to that bench strength—and no other is able to deliver IT solutions and ongoing support like we do.

### The Power of Solid Solutions

We deliver solutions that enable you to improve networking architecture and performance; utilize secure wireless LANs; virtualize servers, desktops, storage and apps; leverage secure backup and recovery services; enable email, VoIP, security, encryption, and much more.

And we can do any or all of it as your Trustmark-certified Managed Service Provider from our secure datacenter and state-of-the-art Operations Center.

### The Power of Satisfied Clients

JDL Technologies is an IT powerhouse that has served a wide range of clients regionally, nationally and globally for 20 years—from financial, insurance and legal services, to construction, manufacturing and logistics and many others.

Clients choose us for our technical know-how, and stay with us for the same reason—with many trusting us to manage key components of their IT programs year after year.

### The Power of Proven Success

JDL is ranked among the 2017 Managed Security 100, a prestigious new segment of the CRN MSP500, which ranks the leading Managed Service Providers in North America.

We hold the Managed Services Trustmark from CompTIA, voice of the global IT industry.

Our signature service, Security FastTrack, won a 2017 Information Security Global Excellence award for Innovation in Cloud Security, and its healthcare counterpart, HIPAA FastTrack, won the 2016 award for Innovation in Compliance.

### The Power of Strategic Partnerships

JDL Technologies enjoys rock-solid partnerships with industry leaders and innovators such as Aerohive, Citrix, HP, Microsoft, Mimecast, WatchGuard, Veeam, 3CX and other brands you know and trust.

Perhaps our strongest partner is our parent company, Communications Systems Inc. (NASDAQ: JCS). With a solid financial record since 1981 and 2016 revenues of more than \$99 million, CSI is as committed to our success as we are to yours. Put the power to work for you today!
