

FORT WORTH MUNICIPAL COURT FINE SCHEDULE

Effective January 1, 2014

This fine schedule applies to offenses occurring on or after January 1, 2014 with the exception of speeding fines which will take effect 01/10/14

* The total amount does not include the \$75.00 accident fee or the \$8 - \$16 for each mile over the speed limit fine.

** Case type is not applicable if the defendant is a juvenile or a minor

*** For traffic violations within a school zone add \$25.00 to the court cost. Violations specific to school zones have the fee added to the court cost already.

Traffic violations that occur in a construction or maintenance area when workers are present double the fine. Double fine plus court cost equal the total. Note - do not double the court cost)

For any violations issued to a juvenile (16 years of age and younger), the case must be set for court and they must appear with a parent/guardian. All minor in possession (Tobacco & Alcohol) and Minor DUI citations issued to those age 16 years and younger must also be set for court (with parent/guardian). Those age 17-20 with alcohol violations must see a judge (parent/guardian not required).
