Patty Westfall brings dream vacations to life!

Patty Westfall is your local travel agent right here in Anthem. If you are looking for that perfect vacation then LBAC Travel can offer a variety of different vacation packages just for you and your family. Westfall is part of a family owned agency in Long Island, New York and is serving the community proudly. She works with 25 other agents throughout the US, and has cultivated relationships with suppliers, and developed practices for us to use to provide the best services here in Anthem.

In her own words "I'm one of those crazy people who like digging into the details looking for great opportunities," stated Westfall. It turns out that you are all in great hands because she has access to even more and often better options through her travel agency. With the full-service agency, they provide just about anything you can think of. A list of many vacations, including the all-inclusive resort stays in Mexico and the Caribbean, resorts and condos in Hawaii, ocean and river cruises, escorted tours and even trips all the way from Australia to Norway.

Planning a year ahead is never too early. "If you want really popular times of the year, especially

when school is out (Christmas break, Spring Break, Summer Break), it's really important to plan ahead", said Westfall.

There are some really great specials that occur throughout the year but some specials are only for a limited time so better to act quickly on these specials when they are offered. Patty is friendly, loves to travel with her husband, and will work with you and your family to find the best vacation destination you want.

Here are a few of her favorites at this moment:

- Sandals (for couples) and Beaches (for everyone) Resorts are offering 65% off and up to \$1000 bonus savings at their luxury, gourmet, truly all-inclusive (even scuba diving!) resorts throughout the Caribbean.

- Royal Caribbean is offering the following stackable offers: 30% off; up to \$300 per stateroom off; kids sail free!

- Celebrity Cruises offers two free perks (choose from drinks; wifi; prepaid gratuities; and on board spending)

- Kaanapali Beach Hotel, Maui 5 nights with rental car and all taxes and fees, \$870 per person
