

When It's Broke.....

They Fix it!

25 Year Old
Business is a
Household Name!

We all know social media has its way of bringing people together. Not too long ago I saw someone "tag" for Richard Black about fixing a refrigerator. I began to wonder who this guy is and after a little more research, I discovered that everyone should know who he is. Why? Appliance Pros repairs on ALL brands, makes, models, and types, as well as dryer vent cleaning. When your ice maker is not working, call Appliance Pros, when your Dishwasher is not working, call Appliance Pros and when your kids have stuffed things down the garbage disposal.... Well, you know who to call now!

Black has owned and operated his family business for over 25 years. It is important to know that this locally business in Anthem is hands on. They do not subcontract their work to any outside vendors so you always know that you will be working with Richard Black and their service technicians directly from the company.

The company is highly rated with over 180 A+ service ratings and the service fee is the lowest in the whole valley. Not to mention, the service fee goes towards any completed repair.

A little helpful hint from the owner Richard Black stated, "Use "Dishwasher Magic" regularly in your dishwasher as it helps to keep the machine very clean in areas we can see and areas you CAN'T see."

Black referenced some simple ways to help to maintain the pump motor assembly, the spray arms, drain hose, as well as the garbage disposal. It sounds like the expert has offered some helpful tips in your kitchen and if you have other service needs, call Appliance Pros today for any questions you may or to schedule an appointment!
