

## 2015 Wabash FAME

April 18 is a beautiful spring day. It is also the FAME (Foundation of Art and Music Education) day at Honeywell Center of City Wabash near Fort Wayne. This is 9<sup>th</sup> year for Wabash FAME with a focus on China. By invitation, a delegate of 32 people from FWCFFA traveled to Wabash City and spent the entire day at the event. We displayed Chinese art and crafts on a large poster board and a long table. 7 our children and adult performance groups performed three shows in the beautiful Honeywell theater. We also hosted several other interactive activities: Chinese name writing on Chinese post card, Chinese abacus, Chinese calligraphy and photo with Chinese costumes. Among them, Chinese names on post cards are really popular with the local students and their parents. We also visited the posters made by local students about Chinese culture. Many precious moments are captured in the pictures attached.
