

PROJECT MAPLESEED

*Liberty*Marksmanship*Heritage*

Committed to preserving Canada's firearms heritage and to deliver safe and effective rifle marksmanship instruction to Canadians.

www.mapleseedrifleman.com

Project Mapleseed is a one-day marksmanship event designed to teach you the shooting fundamentals that will help you develop a stable and accurate shooting position, and understand the process of firing the perfect shot.

Our events are open to shooters of all ages and experience levels. The minimum you need is a .22 rifle, 400 rounds of ammunition and a teachable attitude.

New or Experienced Shooters

The rifle marksmanship principles taught at Project Mapleseed can help both new and experienced shooters learn about how to become better marksmen. Whether you've just started shooting or have been shooting for years, Mapleseed instruction can help you develop your skills to become a better hunter, competitive shooter or casual plinker.

New shooters will benefit from the principles of safe firearms handling and mutual responsibility in keeping our sport safe.

Family Friendly

Project Mapleseed events are for designed for the entire family. Our program of instruction allows both young and old to learn key marksmanship skills in a safe and controlled environment..

Mapleseed is open to anyone able to understand and follow the safety commands and physically able to safely perform the course of fire.

Adaptive courses of fires are available for those with limited or altered mobility.

What is a Mapleseed?

Project Mapleseed holds regular rifle marksmanship events throughout Canada called “Mapleseeds”. A Mapleseed is a marksmanship instruction event that takes participants through the process of learning how to be an accurate rifleman. The objective of a Mapleseed is to teach Canadians the fundamentals of marksmanship, enabling them to eventually hit a 4 MOA target (equivalent to 20” target at 500 meters).

Locations & Dates

Our events are held throughout the country as locations to shoot and volunteers are available. Our goal is to hold regular Mapleseeds supporting Canadians from coast-to-coast.

Visit our website or follow our Facebook page to find out where the next Mapleseed is being held.

What will I learn?

Rock Solid Shooting Positions

The foundation of putting shots on target, standing offhand, sitting/kneeling & prone.

Using a Sling for Support

It's not just for carrying a rifle. Learn how to take full advantage of the stability a sling can add to your shooting positions and tighten up your groups.

Natural Point of Aim

A very effective method essential to not only making a accurate first shot, but quick follow-up shots that strike the same point of aim.

Six Steps to Firing a Shot

Learn to apply these techniques to create a repeatable, stable and accurate shooting style.

Sight Adjustment

Learn how to properly adjust for elevation and windage, as well as fine-tuning to stay on target as the distance changes.

History and Heritage

Firearms and marksmanship played a key role part in the founding of our country and it continues to be an important part of our Canadian lifestyle. Take part in a program that is committed to teaching Canadians about marksmanship and help keep our traditions alive for future generations.

How can I get Involved?

Project Mapleseed is a volunteer-run, non-profit organization. We are always looking for volunteers to help manage, promote and instruct.

Contact us via facebook or email if you would like to help Project Mapleseed in our efforts to develop Canadian marksmanship and help maintain our firearms heritage.
