

Note Regarding the RBOA By-laws:

A conformed copy of the RBOA By-laws was recorded by the Okaloosa County Clerk of Circuit Court on March 13, 2002. The By-laws Amendment 2, dated January 4, 2001, was recorded by the Okaloosa County Clerk of Circuit Court on January 9, 2001. Even though the RBOA By-laws were recorded in 2002, they precede (see below) the Amendment 2 recorded in 2001.

The 2001 Amendment 2 supercedes Amendment 1 to the By-laws (also recorded in 2002 as part of the By-laws), as well as the original Section 5, Article V of the By-laws. Section 5, Article V, deals with quorums at meetings of the Association's members (property owners).

Copies of the "original" Amendments 1 and 2 are posted on this website. The recorded Amendments 1 and 2 are "conformed" versions of the amendments.

The original RBOA By-laws were signed on December 13, 1983; a copy of the signature page is posted on this website. The officers and directors who signed the original By-laws also appear in Article VI - Directors in the Articles of Incorporation (signed and notarized on March 15, 1984); a copy of the Articles of Incorporation is posted on this website.

The copy of the original By-laws currently in the Association's records is actually composed of pages from two different printings of the By-laws, using different typefaces. If any Association member happens to have a complete copy of the original printing of the By-laws, please contact a member of the Board of Directors. The signature page discussed above is from the original printing.
