## Reimbursement Program for Childcare Providers and Childcare Center Staff

Every County in California from Alameda County to Yuba County has state-funded childcare resource and referral (R&R) program that provides information about childcare. Each County has a program that will reimburse childcare providers for a portion of the cost of the Pediatric First Aid and CPR required by state licensing. The reimbursement arrangements differ from County to County. There are several resources to find out about reimbursement programs in California.

## California Child Care Resources & Referral Network

Go to California Child Care Resources & Referral Network website at [www.rrnetwork.org](http://www.rrnetwork.org)

Click "R&RR in Every County" button at top of page

Click "Parents"

Click "Find Child Care in California"

Click County you are inquiring about. Some Counties have a link to their childcare site . . . but not all.

In the text below the map of CA, there is an option for getting a printable directory.
