Blessed Rudy & Erza,

Our walk in Christ continues! I share as the spirit moves me. I pray a prayer of thanksgiving. Truly He is with us all, always! Amen.

With thanks given I received your 2 most recent e-mails affirming many more brothers and sisters are sure to learn and know of the reality of that which we have been enduring and overcoming in the name of the Lord. Who would believe the bribe, etc. on America? Such is wide spread.

A recent (9 February) article in the Wall Street Journal, "THE NEXT FARM BUST COMING" says volumes. In 1992-93 we sat out for witness and WARNING all across America about the evil shadow cast all across America for running the family ranches and farmers off the lands The Lord God gave us. The load is fundamental! Food control and tyranny the evil goal. Satan and his minions seek world-wide draconian control of ALL Food. This is a BOLD-FACED RED FLAG for Satan's object of total world control, nothing left. And so few living in their darkness even have a clue! This, tho' their lives, liberty and pursuit of happiness, as they covet is ineluctably linked to food control. Basics of Life 101. Check this out. The One-World Communist Order is behind this EVIL! It is, not as the misleading headline may lead, a mere

41 coincidence in world markets. Driving the People off the land is a calculated SCAM a RIGGED, DESTRUCTIVE (Jn 10:10) FORCE. This is the No. 1 economic and social crisis facing every American right now! "We-the-People" cannot afford to float around blind in this choppy sea any longer!!!

How many people have a clue this massive problem and horrid assault even exists? How many would see the "writing on the wall" if they saw the Wall Street Journal article? I trust you see what I am saying in this caveat. How important is "daily bread" to you? Grocers have NO control. They are middle men. Corruption has, with intent, the whole food production and markets on TILT! All this manipulated through corrupt - fiat - usurious money system. They destroy (Jn 10:10) and foreclose at will - the SET-UP! People MUST turn to Yeh He Vah He Messiah / Jesus, the Christ, the WORD (Jn 1:1,14) before they all wind up in long food lines and neurological depression (planned) results in death and suffering of millions.

Do Dana and I look like "anti-government" / "anti-Americans" to you? Why would the corrupt powers that be want to silence and destroy little, insignificant us? See their Ninja-Turtles assaulting people on TV, the news, every day. TRUTH, justice and righteousness mean NOTHING to the enemy! We have been slandered; libeled; robbed; threatened with our murder; our son has been murdered; we've been assaulted; falsely imprisoned;

3/ tortured right here on America... need I say more? Who cannot see there is a problem? Our seminars, "America First: Basics of Law", loved by our students are "anti-government"/"anti-American"? what?

Who will stand up for "absolute TRUTH"? Who are our fellow Americans? Who has Christ in their heart? How long does this People have left? Does anyone see the storm coming?

When The People of York, Pennsylvania; cradle of the founding of the united States of America, appointed me judge, circuit of North America, registered my Oath and Bond, notified Administrator of Court Services for the UNITED STATES (Not the de jure united States of America) and Wm Rheingold (at that time Chief Justice of the supreme Court & of the US SUPREME COURT), when they really went ballistic over me. They know the full meaning of the "private-live" People calling one, vs. their public-corporate, dead SCAM rapping "We-the-People" by and through their FRAUD!!! My appointment still stands firm today. And their FRAUD is now facing a full accounting by the Creator and Ruler of the Universe, Yeh He Yah He (YHVH) Messiah/Jesus, the Christ. War or no war, "fear not little flock" for your God is in total control of your salvation now and forever.

The above FIRM facts are why they attacked us in New York; and why the infidel came to me with the "BRIBE"

4/ in March of 1995, in Brooklyn House. It will be fully EXPOSED ["all things shall be revealed"] — their fall is in progress NOW!

The powers of darkness have dominion over the world (Isaiah 14:16). The Right, Jesus, the Christ, the ONLY source of total victory. He alone is the Life of us all. This temporary war shall never rob us of the presence of Him nor of His certain Victory and fulfillment of His promises! His finger writes history and eternity. Proverbs 3: 5, 6! Prayer — our most valuable investment!

The Lord alone, knows what lies ahead; what mountains are there. But we know of a certainty it is ALL in His hands.

"Let God be true, but every man a liar!"

FROM THE BACK SIDE OF THE MIRROR:

Is every gun a firearm? In the double-speak of the corporate/fictitious/artificial statutes, the clear answer is "NO!". The corporate system does not make nor have gun laws. LET US EXPLORE: By statute a firearm is narrowly defined as a gun or explosive device for corporate commercial use — HIRED GUN. The statutes have NOTHING to do with "private-guns" nor anything "private"; the ONLY apply to "firearms" as narrowly defined in the statutes. Corporate entities are NOT protected by the Constitution's second amendment, nor otherwise. They are regulated, or not, by contract/statute. People are caught in the word-art deceptive snare

5/ by unwittingly assenting or consenting to act as "surety" for the PUBLIC TRUST (NAME SIMILAR TO THEIRS) for the "corporate SCHEME and ARTIFICE". TOTAL FRAUD!!! Blind with sin in darkness!!!

Yesterday (13th), after [☺] nearly 3 years, I received a stack of paper, approximately 3/4 inch thick from the US Dept. of Justice, presumably their answer to my early 2014, 3rd request via Freedom of Information Act/Privacy Act (FOIA/PA) for a certified copy of the MANDATORY for Due Process "Grand Jury Concurrence Form," "SIGNED" by no less than 12 grand jurors, as presented in open court before a Magistrate Judge (Admin. Law clerk) under SIGNATURE and SEAL for the Court.

NONE was returned in answer for my due request. For Eastern District of North Carolina and the Western District of Oklahoma I have NO answer at all to date. THERE NEVER WAS ONE! — Thus, all has been FRAUD/FALSE IMPRISONMENT — reply for administrative process will verify. And will bring "forfeiture" of bond by all of those who have VIOLATED my protected Rights. The ONLY REAL CRIME(S) IN THE WHOLE AFFAIR were those committed against myself and others. ALL THINGS ARE BEING REVEALED!!!

The package received 13th, ALL a SCAM for furthering the FRAUD — a smoke-screen for deceiving me and/or all who may look into their falsified records. The ill equipped in the US Marshal's Service and in the Federal Bureau of Prisons are just as FOOLED as the common herd. [MAXIM OF LAW: No answer is an answer.]

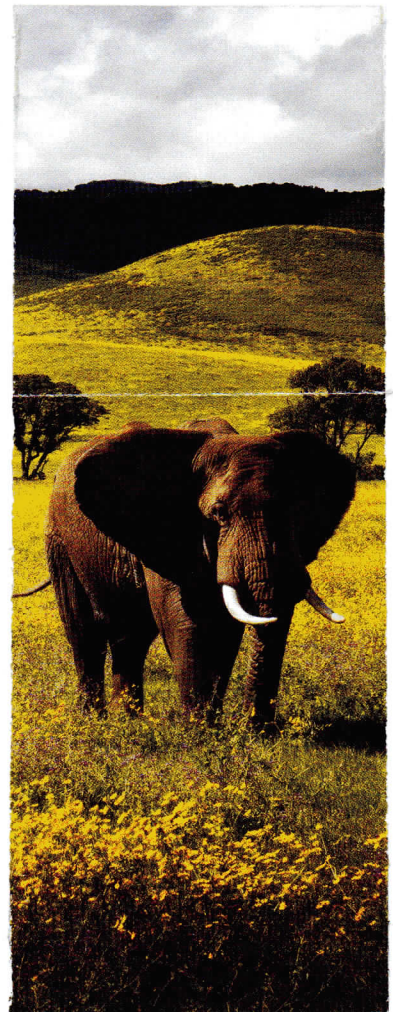

In Montana the FRAUDSTERS added my trust name RUSSELL LANDERS (incomplete) and DANA DUDLEY-LANDERS my wife's, [NOT CORRECT - neither ONE] to their BOGUS

6/ paper facsimile, as if a "superseding indictment" when in truth NO indictment, of either, ever preceded it. One cannot legitimately be indicted via a superseding indictment without the foundation of an original indictment supported by the "Grand Jury Concurrence form" under Seal and Signatures set forth on the record in the Magistrate's Court of record. Our lives and liberty STOLEN by the UNLAWFUL FRAUD, threat of violence by armed thugs all in violation of all privately entered Oath/ CONTRACT(S) of all those who have acted for violating us this way. REAL CRIME(S)!

How many can feel safe in a country where such CRIME RINGS are at large stealing and murdering at will? Concentration Kamps all across Amerika for the unjust enrichment of the murderous thieves responsible for these CRIMES against humanity. This WAR against Christ, against "We-the-People" must be STOPPED!! NO EXCUSES!!!

Stand on Thee Rock - Jesus, the Christ that we may all share in His Victory! † † †
