Trendsetter Super term life insurance can be used to help meet your and your family's needs, whether it's paying the mortgage, college tuition, and final expenses, or to assist with basic everyday needs. It can give you early access to your policy's death benefit, should you experience a qualifying terminal illness. Term life insurance can help your loved ones afford to live the life they've always known, should you pass too soon.

Helping you build a financial safety net.

ARE PEOPLE COUNTING ON YOU?

If so, a Trendsetter® Super term life policy may help.

Should the unexpected happen, Trendsetter Super can help replace your income, protect your family, or ensure your business can continue.

PROTECTION FOR YOUR FAMILY

What if you weren't around to celebrate your children's most special days—graduations, weddings, those first grandchildren? Without you, would your spouse be able to make ends meet, let alone help with all those joyous moments?

The Trendsetter Super can help protect your loved ones in the time of an unexpected death or terminal illness. It can help pay for major expenses such as a mortgage, college tuition, or even a wedding—many of life's biggest moments.

PROTECTION FOR YOUR BUSINESS

Imagine what would happen to your business if you or another key employee were to pass away. Businesses may not think about the risk associated with the loss of key individuals within their company.

The Trendsetter Super can be helpful during the most difficult of times. It can help your business stay afloat.

THE TRENDSETTER SUPER IS HERE FOR YOU

The Trendsetter Super provides the flexibility to have a policy with a face amount of \$25,000 to \$10 million and up in coverage and allows up to \$99,999 without the need for a medical exam. Keep in mind, the issuance of the policy may depend upon the answers to the health questions on the application.

Plus, your premium is guaranteed to remain the same throughout the entire initial term period—choose from 10, 15, 20, 25, or 30 years. And at the end of the term period, you may be able to convert the policy to permanent life insurance without having to undergo an additional medical exam.

That's what the Trendsetter Super is all about, customization to fit your lifestyle with different coverage amounts, term periods, and optional add-ons.

Planning for life's unpredictability is a challenge. The good news is that there's life insurance for protecting yourself and those you love, should the unexpected happen.
