WHY TERM LIFE INSURANCE?

Term life insurance can help with the loss of a contributing member of the household by helping to pay for childcare, education, mortgage expenses—all the things that make a full life. It can give you coverage for a competitive monthly cost, perhaps for less than your daily cup of coffee, and provide you with the knowledge that you have helped plan for a secure financial future for your family.

A TERM LIFE POLICY CAN PROVIDE:

- **A guaranteed monthly income stream** to help with the day-to-day living expenses of those left behind.
- **A cash resource** to help pay unexpected medical costs that can arise from a qualifying chronic, critical, or terminal illness.
- **Ability to ensure funds are distributed** the way you wish among your beneficiaries.
- **Protection against the loss of a key employee** in a small or family-owned business.
- **Payment** of your final expenses.
