Meeting minutes – BOHA 2010 Annual Meeting, held 4/18/2010

1 – 2009/2010 Year In Review

Kevin LaCour called the 2010 meeting to order. The meeting agenda was summarized and reviewed with the residents.

For the year in review, the key item was the nomination, procedure, vote and affirmation of the revision of the homeowners dues, with 2009 actions as follows:

- Upon recommendation and review, it was the decision by the board in 2009 to pursue a dues increase for BOHA to provide sufficient monies to cover expenses and provide neighborhood improvement projects. Next, the BOHA Board unanimously voted to hold a vote of the residents. Per the bylaws, the approved plan gave the lot owners 30 days notice of a pending vote. The vote was held via proxy voting in writing per a prepared voting form. The vote was held affording the lot owners a prescribed period for voting. Let the minutes show that the proxy voting, per written affirmation of a majority of the lot owners, affirmed the raising of the dues to $360 per year. The by-laws will be amended and filed to reflect the vote of the homeowners.

2 – Ascension Parish Update - Tommy Martinez, Parish President

The Parish President discussed a number of topics including the upkeep of the parish roads, the improvements to Bluff Rd, an update of the BR Loop and a pending parish wide wastewater treatment plant. Mosquito control has been increased. There is an ongoing study to understand the effects on Bayou Manchac.

Bluff Road has been upgraded.....asphalt overlay, signage improved and trash pickup increased. As Bluff road is a state road, the parish is aiding the state with these activities. DOTD in Brittany, LA is responsible for the road and we can contact Joey Tureau with any questions.

Should we have further questions about the parish roads then we can also contact our House Representative, Eddie Lambert, in Gonzales.

In May, there will be a Fest of Festivals held at Lamar Dixon and supported by a Vets Parade.

Mr. Martinez then took questions from the residents.

3 – Security Update – Sheriff’s Office - Lt. David Martin

Lt Martin gave a brief update on security in the parish and advised on home security such as maintaining locks, alarm system and reporting unusual activity. Lt Martin took questions.
4 – Financial Update - Kendall Johnson

Kendall reported that we currently have $12,000 in the BOHA account, as of 3/31/2010. Fiscal year 2008 ended with a balance of $7,086.

For 2008, 100% of the dues were collected from full time residents, while in 2009 92% had paid some form of dues, whether $120 or the newly voted $360.

Dues collection began immediately for the 2010 Fiscal year with 4 residents paying on the spot, including 3 board members.

5 – Projects Update - David Ross

Street Signage has been installed and the landscaping was upgraded at the entrance. Pending Projects include cul-de-sac trees, installing bushes at the entrance and progressing with lighting of the entrance for safety.

6 – Architectural Update - Mike Young

New Homes in 2010 include one house on Woodville.

Restrictions enforcement update. Numerous residents voiced the need to vigorously enforce the restrictions in the areas of storing mobile homes/trailers. In addition it was suggested that the board pushes for better upkeep in those yards that are unsightly.

Parish yard enforcement is available for those overgrown lots via the parish department headed by Terrence Irvin. This service is $100 and charged directly to the lot owner by the parish.

At this writing, there is limited activity of improvement on the bordering property north of Bluff Oaks.

Yard of the Month will be administered, starting in April 2010.

7 – BOHA Website - Mary Saporito

In order to better communicate with the homeowners, we are starting a Bluff Oaks Facebook page. This will be maintained by Scott Saporito.

8 – Reminder of the location of the Ascension Parish Website – http://www.ascensionparish.net

9 – Treatment Plant Update (Wastewater Mgt) - Kevin LaCour
The Louisiana State Dept of Health, located in Ascension parish, contact via Mimi Benjamin, aided BOHA in getting improvements to our treatment plant. The unit was serviced by the owning entity Ascension Wastewater. They backwashed, skimmed, installed safety grating, fixed the fence and installed a lock on the unit.

10 – General Discussion

The residents were encouraged to report stray and dangerous animals to Sheriff’s office

11- Election of 2011 Officers
