

Morgan's Mutts Rescue Newsletter

March was a busy paperwork month! We are in the process of becoming a PetSmart partner! Regular Saturday adoption events at PetSmart Chattanooga Plaza in Midlothian will definitely help get our dogs exposure and adopted out quicker! We also became insured so we can be a part of those big adoption events all around the Richmond area! AND we signed up for RAL's Woofstock, as well as the Amelia and Farmville Festivals! Volunteers needed!! Also Momma Roxy and Amelia were spayed this month!

Momma Roxy Gets Healthy!

Poor Momma came to us with several health issues that needed time and love to heal. Lyme disease positive, kennel cough, lots of parasites, conjunctivitis in both eyes, she has deformed left front leg and limps, she has bowed legs on the other 3, she was malnourished, has had "several" litters of puppies, She had fleas & ticks and yet she is just the sweetest thing and loves attention! She was also spayed this month! We will have her vet checked 1 more time to be sure everything is ok, but she looks sooo much better!

Amelia goes to a Foster Home!

Only Timmy needs a foster home more than shy little Amelia. Our wonderful foster mom Chandler, took on the challenge of coaxing Amelia out of her shell and into a loving, happy world of adventure! She is slowly becoming trusting of strangers and learning not to be afraid! We can't wait to see her blossom into a confident, happy dog!

Forever Friends,
Forever Love....

Who got rescued in March ?

Hazel!

We pulled Hazel from the Amelia Animal Shelter on 3/13/17. She is the kindest, sweetest little girl you will ever meet! She is velcro to our sides and just wants constant love and attention! We did find out at her first vet visit that she is heartworm positive and has started her antibiotic. She will be spayed on April 11th and will then begin her injections for heartworm treatment. Here's hoping she can find a loving home to recuperate in, surrounded by loved ones, quickly!

Sunshine! And her 6 puppies!

Sunshine was a stray at the Amelia Animal Shelter along with her 6 puppies! We pulled her on March 30th. The puppies are thought to be about 2 weeks old and barely had their eyes open! Sunshine is a wonderful momma and she is very sweet with all people! She loves company and long slow walks! Stay tuned for more pictures and information!

UPCOMING EVENTS!

Saturday, April 29th 10-2 at Westchester Commons. Setup at 7:30am! Need volunteers all day!

Saturday May 13th. 9:30-4pm. Setup is 7-9am. Need setup & all day volunteers!

Amelia Day Festival

Teaching your child respect for their pet will keep them safe around other's people's pets as well! Even if your dog lets your child do anything to it without reaction, don't be upset when he/she decides enough is enough! Don't take that chance! keep your dog and your child safe!

Need to rehome your pet?

Circumstances change, some things are out of our control. The shelters & rescues are full, where can you turn? Having to give up a beloved pet no longer has to be a horrible or shameful experience! Adopt-A-Pet now has a free service for those who want to be sure their pet goes to a good home. Check it out on their website at: <https://rehome.adoptapet.com/>
