

Children/Sibling Interaction Policy:

All the children in the Nursery are actively encouraged to interact with each other during the day. The children play together in their groups within their areas during the play sessions; they are also given the opportunity to interact with the other children who are not in their groups on a regular basis.

The children come together at outdoor play times and spend some time socialising and interacting with each other. Siblings who are not in the same groups at nursery regularly interact with each other during the day at specific times and are also given the opportunity during the play sessions to play with or comfort each other if upset.

If a child is new to the Nursery, but has a sibling who already attends it, then arrangements will be made in order for the children to be together for however long needed on their settling in week.
