## AUCTION CONDUCT CONDITIONS

### A1 Introduction

A1.1 Please ensure that you are familiar with the meanings as defined in the Glossary.

A1.2 The catalogue is issued only on the basis that you accept these auction conduct conditions. They govern our relationship with you and cannot be disappplied or varied by the sale conditions (even by a condition purporting to replace the whole of the Common Auction Conditions). They can be varied only if we agree.

### A2 Our role

A2.1 As agents for each seller we have authority to:

- (a) prepare the catalogue from information supplied by or on behalf of each seller;
- (b) offer each lot for sale;
- (c) sell each lot;
- (d) receive and hold deposits;
- (e) issue and collect proceeds against an invoice.

A2.2 Our decision on the conduct of the auction is final.

A2.3 We may cancel the auction, or alter the order in which lots are offered for sale. We may also combine or divide lots. A lot may be sold or withdrawn from sale prior to the auction.

A2.4 You acknowledge that to the extent permitted by law we owe you no duty of care and you have no claim against us for any loss.

### A3 Bidding and reserve prices

A3.1 All bids are to be made in pounds sterling exclusive of any buyers premium, administration charges or VAT.

A3.2 We may refuse to accept a bid. We do not have to explain why.

A3.3 If there is a dispute over bidding we are entitled to resolve it, and our decision is final.

A3.4 Unless stated otherwise each lot is subject to a reserve price (which may be fixed just before the lot is offered for sale). If no bid equals or exceeds that reserve price the lot will be withdrawn from the auction.

A3.5 Where there is a reserve price the seller may bid (or ask us or another agent to bid on the seller's behalf) up to the reserve price but may not make a bid equal to or exceeding the reserve price. You accept that it is possible that all bids up to the reserve price are bids made by or on behalf of the seller.

A3.6 Where a guide price (or range of prices) is given that guide is the minimum price at which, or range of prices within which, the seller might be prepared to sell at the date of the guide price. But guide prices may change. The last published guide price will normally be at or above any reserve price, but not always – as the seller may fix the final reserve price just before bidding commences.

### A4 The particulars and other information

A4.1 We have taken reasonable care to prepare particulars that correctly describe each lot. The particulars are based on information supplied by or on behalf of the seller. You need to check that the information in the particulars is correct.

A4.2 The particulars and the sale conditions may change prior to the auction and it is your responsibility to check that you have the correct versions.

A4.3 If we provide information, or a copy of a document, provided by others we do so only on the basis that we are not responsible for the accuracy of that information or document.

### A5 The contract

A5.1 A successful bid is one we accept as such (normally on the fall of the hammer). This condition A5 applies to you if you make the successful bid for a lot.

A5.2 You are obliged to buy the lot on the terms of the sale at the price you bid plus the buyers premium any applicable administration charges plus VAT.

A5.3 You must before leaving the auction:

- (a) provide all information we reasonably need from you to enable us to complete the sale invoice (including proof of your identity if required by us);
- (b) pay the deposit.

A5.4 The deposit:

(a) is to be held as stakeholder where VAT would be chargeable on the deposit were it to be held as agent for the seller, but otherwise is to be held as stated in the sale conditions; and

(b) must be paid in pounds sterling by cheque or by bankers' draft made payable to us on an approved financial institution. The extra auction conduct conditions may state if we accept any other form of payment.

A5.5 If the buyer does not comply with its obligations under the contract then:

- (a) you are personally liable to buy the lot even if you are acting as an agent; and
- (b) you must indemnify the seller in respect of any loss the seller incurs as a result of the buyer's default.

A5.6 Where the buyer is a company you warrant that the buyer is properly constituted and able to buy the lot.

**General Terms & Conditions section(s) b/c/d/eff – relate only to sales physically conducted outside of the European Union and as such do not form part of the general conditions of sale for this auction.**

## GENERAL CONDITIONS OF SALE

Some words have special meanings, which are defined in the Glossary. The general conditions (including any extra general conditions) apply to the contract except to the extent that they are varied by special conditions or by an addendum.

### G1. The lot

G1.1 The lot (including any rights to be granted or reserved, and any exclusions from it) is described in the special conditions, or if not so described the lot is that referred to in the sale memorandum.

G1.2 The lot is sold subject to all matters contained or referred to in the documents, but excluding any financial charges: these the seller must discharge on or before completion.

G1.3 The lot is also sold subject to such of the following as may affect it, whether they arise before or after the contract date and whether or not they are disclosed by the seller or are apparent from inspection of the lot.

G1.4 Where anything subject to which the lot is sold would expose the seller to liability the buyer is to comply with it and indemnify the seller against that liability.

G1.5 The lot comprises of the catalogued item all items in, under, over and around any lot in this catalogue are not included with such lot unless specifically stated in the catalogue description.

G1.6 The lot does not include any tenant's or trade fixtures or fittings.

G1.7 The buyer acknowledges that in agreeing to purchase any Lot he is not relying on any warranties or representations made by the seller or the auctioneer or any of their employee's agents or representatives. All representations, warranties and conditions, express or implied, statutory or otherwise in respect of all and any of the lots are expressly excluded and without limitation any warranties and conditions as to title, quiet possession, satisfactory quality, fitness for purpose and description are excluded to the fullest extent as permitted by law.

The buyer further acknowledges that:

(a) neither the seller nor the auctioneer shall in any circumstances be liable to or to compensate the buyer nor shall the buyer be entitled to rescind the Sale or reject any Lot for an error omission or misstatement contained in the Catalogue and/or in the Special Conditions.
