

## Our Once-A-Year Pest Control Service Includes:

- A treatment once a year inside and outside of your home with our clear, odorless chemical that is safe on all surfaces.
- Outside areas include: all eaves, window and door casings, soffits, all cracks and crevices, garage, and pool/ lanai perimeters.
- Inside areas such as: all baseboards throughout the home, and a safe and reliable treatment in the kitchen and bathrooms
- Treat the attic to eliminate nesting sites and prevent future ones.
- We sweep the eaves and entryways for spider webs.
- Granulate around the entire perimeter of your home.
- Any live bugs found in your home after the initial service you may call the office for a no charge retreatment of your home throughout the year with an unlimited amount of necessary treatments.
