

Our Lady's Mission for Life

A California Pilgrimage to Close Abortion Centers

March 2 - April 30, 2017

As a faithful response to the prompting of Our Blessed Mother and with the blessing of the Most Reverend Richard J. Garcia, D.D., Bishop of the Diocese of Monterey, we set out on a two-month journey with the Missionary Image* of Our Lady of Guadalupe to visit, in prayerful vigil, every abortion center in California. We believe it is Our Lady's intention to enfold California in her *Mantle of Grace* and through conversions and healing, bring a peaceful end to the tragedy of legalized abortion which started here in our state 50 years ago + + +

"May she end without exception the horrible evil of abortion."

"A great prayer for life is urgently needed, a prayer which will rise up throughout the world...

Let us ...discover anew the humility and courage to pray and fast so that power from on high will break down the walls of lies and deceit; the walls which conceal from the sight of so many of our brothers and sisters the evil of practices and laws which are hostile to life. May this same power turn their hearts to resolutions and goals inspired by the civilization of life and love." + St. John Paul II + Gospel of Life #100

* The Missionary Image is an actual (4' x 6') authentic replica of the original Miraculous Image of Our Lady of Guadalupe which is enshrined in the Basilica in Mexico City. In 1991, in response to a special request of St. John Paul II, the Bishops of Mexico blessed and commissioned the Missionary Images to bring conversions, reverence for life, sanctity of the family and solidarity to the Church. We are ever so grateful to the guardians of the Missionary Images, Dan Lynch Apostolates, for recognizing Our Lady's desire to come to California for this special Mission for Life and for making it possible for all of us to honor Her special request + + +
