

DRAGON SC - 2005 GREEN DRAGONS

WAIVER AGREEMENT

In consideration of my child’s participation in the Dragon Soccer Club’s Soccer Program, I understand that soccer is a physical, contact sport that involves the potential risk of injury or death and/or property damage as a consequence thereof. Knowing this, I expressly assume any and all risks and hazards associated with my child’s participation and voluntarily accept the risk of injury or death. I agree to release in advance, Dragon Soccer Club, it’s parent company Cornwall Soccer Club LLC, its administrators, coaches, trainers, independent contractors, other participants and any other associates, as well as the owners of any fields and/or facilities used during the program, from and against any and all liability, including for negligent actions arising out of or connected in any way with my child’s participation in the program.

I acknowledge, agree and represent that my child is qualified, in good health, and in proper physical condition to participate in Dragon Soccer Program. I further agree and warrant that if at any time I believe that my child’s health and physical condition should change so that it would be unsafe for him to continue to participate in such activities, that I will immediately discontinue his further participation.

I have carefully read this agreement and fully understand its contents. I am aware that this is a release of liability for myself and my minor child, and that I have given up substantial rights for myself and my minor child by signing it. I have signed it freely and without inducement or assurance of any nature, and intend it to be complete and unconditional release of all liability to the greatest extent allowed by law and agree that if any portion of this agreement is held to be invalid, the balance, notwithstanding, shall continue in full force and effect. This agreement will remain in full force and effect for as long as my minor child is participating in any program affiliated with Dragon Soccer Club.

By signing below, I understand and accept the risks.
