

Wyoming Conservation District Employee's Association Scholarship Application

WCDEA's mission and goals are to strengthen and promote conservation district programs by encouraging professional growth and development among our employees. To this end, WCDEA offers scholarships for employees to attend state, regional, national meetings and trainings. **In order to receive a WCDEA Scholarship you must be a dues paying member in good standing.**

Please note that if you are successful in receiving a scholarship, you must provide a one page written summary report with highlights of the event you attend to the WCDEA President within 30 days of returning from the event. Additionally, funds will be reimbursed to you or your district upon presentation of receipts, which must accompany the written report.

The WCDEA Executive Board is the decision making authority for all scholarships.
