RESOURCES "FOR ALL" - EDUCATIONAL & PARENT SUPPORT

Best Practices Training for All Children – An Inclusive Model and Parent, Teacher & Community Resource:

www.KITONLINE.org

Kids Included Together (KIT) specializes in providing best practices training for community-based organizations committed to including children with and without disabilities into their recreational, child development and youth development programs. Inclusive Training & Technical Assistance Resource:

www.NSIP.com

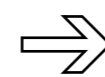

The National Service Inclusion Project (NSIP) is a training and technical assistance provider on disability inclusion, under a cooperative agreement (#08TAHMA001) from Corporation for National and Community Service (CNCS). NSIP partners with the Association on University Centers on Disability, National Council on Independent Living, Association on Higher Education and Disability and National Down Syndrome Congress to build connections between disability organizations and all CNCS grantees, including national directs, to increase the participation of people with disabilities in national service.

Educational Resources

Find A School Near You!

Simply enter your zipcode and find a grade K-12 school in your neighborhood at:

www.education.com/schoolfinder/ or click on the picture of the children

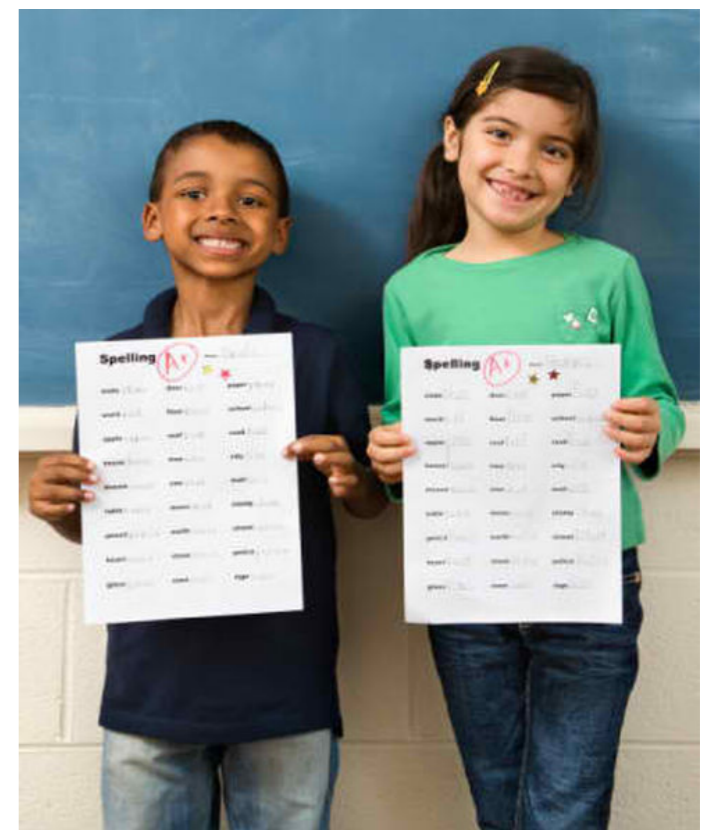

If your child is approaching college readiness, you can also locate a college by visiting:

<http://www.education.com/colleges/>

Note: many universities have Office of special support services for persons with disabilities – simply inquire within. Still need help. Enter your personal question and get personal responses to learning and special needs education questions simply by visiting the “Just Ask” section at: www.education.com/answers/child-learning

Ben Samuels Learning Center, Montclair State University

The Ben Samuels Learning Center at MSU is a model of excellence in the inclusive early care and education of children from birth through five years. The Center is committed to examining and implementing the best practices of teaching and learning in a nurturing environment where children with disabilities learn, play and grow alongside their same age peers.
