It takes courage to face a giant & we know you face them regularly every day. Because you don't run away from these giants, Tri City Brewing makes this Russian Imperial Stout in your honor! Our Russian Imperial Stout is just bursting with an abundance of character! Our biggest beer, coming in at 9% ABV is sure to be the new favorite of stout fans. Giant Slayer is an intense stout that presents itself with huge roasted, chocolate, and coffee malt flavors. Giant Slayer provides a rich, full bodied drinking experience with dark hints of old world style.

## Charity Island \* 6% ABV 72 IBUs

For years mariners knew the light at Charity Island meant safety in navigating the crowded waters of Lake Huron's Saginaw Bay. Tri City's Charity Island IPA has the bold and assertive hop characteristics of an American IPA. Brewed with 100% malted barley, the five hop additions give an aroma with a rich citrus, floral, and resinous bouquet. The crisp hoppy flavor is in perfect harmony with the malt backbone with a refreshing, clean dry finish.

## Intergalactic Jack \* 5.5% ABV 46 IBUs

The Galaxy hop gives this beer a unique combination of citrus and passion fruit. TCB's Intergalactic Jack has a light golden color with flavors of orange, passion fruit, & grapefruit. This Tri City Brewing creation was hopped three times during the brewing process and then dry hopped with the galaxy hop to give this brew a nice citrus aroma.

# SEASONALS

Available on Draft & Bottle

*October - January*

This award winning beer took its name from the rich industrial history of Bay City. Our Nut Brown Ale is medium bodied with a rich mahogany-brown color. We use five different types of premium-malted barley and two hop varieties for the malty flavor with a perfect balance of bitterness and sweetness.

*February - March*

Phelan Irish Red is an authentic Irish Ale with its own unique flavor. It is medium bodied with a deep ruby color, moderate malt aroma, and a creamy, tan head. We use a unique combination of pale ale malt, caramel malts, and roasted barley to give a subdued sweetness with a slight toffee-like quality.

*April - July*

Our Summer Ale is a smooth refreshing blonde ale perfect for sitting by the lake, at a cottage, or in the backyard. Tri-City Loons is the perfect complement to any summer day around the Great Lakes.

*August - October*
