

## International Culture Performance Night at IPFW

On April 16, 2015 IPFW hosted the second annual International Culture Performance Night. This event was sponsored by the Office of International Education, ELS Center, and Indiana-Purdue Student Government Association. Students from a number of overseas countries presented country tables and organization tables. They also presented Parade of Nations and artistic performances, which showcased their unique cultures. The appetizers from around the world were quite tasty. The audience included IPFW faculty, staff, students, and people from the community.

IPFW Chinese Club once again collaborated with FWCFFA and presented two stunning performances and a display table: the Dragon Dance/Opera Dance and Traditional Dress Show Dance. Both were very well received by the audience, which could be seen from the loud applause following the performances. The dragon team performed a unique Parade representing China with the playful dragon. It was a fun and educational evening.

FWCFFA and Chinese Club would like to thank all the participants in this event; their contribution to supporting international students and diversity is greatly appreciated. Special

thanks go to Muyun Yin and Jinlong (Chinese Club) and Zhijuan Zhang (FWCFFA) for organizing this event.
