Membership Application

The Seminole County Historical Society is a 501-C-3 non-profit membership organization that raises funds, conducts programs, and supports the efforts of the Museum of Seminole County History. The museum preserves and educates the public about the history of the towns and residents of Seminole County and its rich past.

Organized in 1994, the Society has contributed services, funding and expertise for such projects as the building of the Agricultural Exhibits building, the Pole Barn, museum labeling and exhibitions and the publishing of a number of high-quality historical books.

The society also operates a gift shop located in the museum that offers a unique selection of souvenirs, historic maps, prints, & postcards, and books on Florida and local history.

Membership in the Seminole County Historical Society offers many exciting benefits including: free admission to the Museum of Seminole County History, subscription to our annual newsletter, invitations to VIP receptions and exhibit openings before access is granted to the general public, the opportunity to participate as a volunteer at the Museum of Seminole County History, and much, much more!

To apply for membership to the society, please return this completed form to the historical society. Payment is accepted via check made payable to the Seminole County Historical Society.
