

Web Design SpeedTest

1. Click into www.speedtest.net
2. Run the Speedtest
3. When it completes, using the Snipping Tool (Windows 7 or 8) take a screen capture of the result.
4. Name the image: your lastname_speedtest
5. Ask your parents/guardians who the internet provider is at your home, and what is the monthly cost.

6. Send the image to Mr. Amerikaner eamerikaner@oakparkusd.org as an email
7. In the Subject line: Your class period and your first/last name.
8. Attach the image to the email.
9. Add the internet information and cost to the body of the email.

That's it!
