

# Oak Valley Kids

I/We understand that The MSDE Office of Child Care requires a child over 12 months of age to sleep on a cot or mat. We feel \_\_\_\_\_ may not be ready for this transition from a crib/pack & play at 12 months of age.

On or about \_\_\_/\_\_\_/\_\_\_, I/we will re-evaluate whether \_\_\_\_\_ is ready for a cot or mat. If I/we will feel she/he is ready to transition, we can begin to discuss how and when to proceed. If \_\_\_\_\_ is still not ready, we will re-evaluate again on or about \_\_\_/\_\_\_/\_\_\_.
