

I had to die to live. Heroin
kills guided me on how to
do that. They are supportive
in all ways. I didn't have to
worry about anything when I
went to u-turn for Christ.
Heroin kills saved my life
and the Lord worked through
them to bring me to him. I
came from a life of pure chaos
and absolutely no relationship
with Jesus Christ. Now for the
first time I love life and love
the Lord. Heroin kills gives me
hope and the Lord gives me
love.
