

Its Vegas baby... and it's the city that never sleeps, Vegas is taboo, hot, sexy and you won't leave without being seduced by the nick-name... Sin City!!!

I'm releasing a **"Top 5 things to do in Las Vegas besides gambling"** when you visit...

Las Vegas has grown to be the dream in the desert that will allow you to be yourself, or something you can't be at home. When mentioning Vegas, most people would think of gambling, star studded shows or some dark fantasy. Vegas is all of that, and a lot more!!! In the last 5 years, Vegas added several new attractions to its already fun-filled entertainment portfolio, and a lot of it is family orientated activities, or activities that groups or couples can enjoy. I will show you five Vegas entertainment to-dos in the Sin City...

1st Groups or couples can enjoy this Vegas attraction... or, you can do this adventure solo and still take pleasure in saying that you experienced the world's tallest Ferris wheel, the High Roller. The High Roller is located at the LINQ, which is right across the street from Ballys Hotel on South Las Vegas Blvd. The High Roller is 550 feet tall (Tallest Ferris in the World) , and opened March 2014. The High Roller takes an average of 30 minutes to fulfill a complete trip. Each glass enclosed cabin can hold 40 people, and its 28 cabins in all...

The High Roller offers several activities while you, or your group enjoys the 30 minute ride. Some of the activities available are, The Chocolate Experience, you can sip Red or White Wines, and snack on Ethel M Chocolates. Hold a private event with your own bartender, Yoga is available, and you can even get married on the High Roller... To make reservations to enjoy the High Roller you can email HighRollerCustomerCare@Caesars.com or 702.322.0598...

2nd Look the look in Vegas while you drive an exotic car from Diplomat Exotic Rentals... Diplomat Exotic Rentals is located at 2535 S. Diplomat Exotic Rentals motto is "Lease The Life", which is a great way to experience the Vegas Strip, or ride to the Grand Canyon. 3rd One of the newest attractions in Vegas is the Top Golf located behind the MGM at 4627 Koval Lane. This Top Golf is an amazing property, offering its visitors multiple levels, a VIP on the 5th floor that includes a

concert venue that can accommodate up to 900 guest, and several large flat screen TV's (Great spot to watch the fight or the big game). To my knowledge, this is the only Top Golf with two pools, the upper pool overlooks the larger pool, and makes for a great happy hour get together. Top Golf Vegas includes 108 climate controlled hitting bays, large & small private areas for meetings and events, TV screens everywhere, especially by the 5 bar spread throughout each of the 5 levels. VIP cabanas and private suites can be rented for a more personal setting with friends or business associates. Four Gi-Norm-Mis flat screens cover the back wall, so you will never miss, any of the game action while you relax, or swing away from your hitting bay. Top Golf Vegas has everything you need, for a great time while swinging the stick and sipping drinks...

5th Lets go to the museums in Vegas... yeap... Vegas has some pretty kool museums... not like the Smithsonian (lol)... probably a lil-bit more around things that people don’t really care to marvel at when they see or hear certain words like “Mob”, or “Neon”. The Mob Museum located at 300 Stewart Ave. in Vegas is the classic place to learn about the Mob in America. Interactive presentations, audio tours and scavenger hunts are just a few of the activities that you can do at the Mob Museum. Private events can be booked at the Mob Museum, so yes you can get married there.

The Neon Museum is located at 770 N. Las Vegas Blvd. A one of kind, 2 acre museum, with over 200 sign (7 of them restored), you can roam this bone yard with your guided tour, observing classic neon signs that covered the old Las Vegas. The Neon Museum has a day and night tour, you can book an event there and take a photo shoot in the bone yard. Visit the Neon Museum website for booking information and specific details about taking a tour.
