

Welcome to Tips & Thoughts!

By signing up for Pete's Tips & Thoughts (bottom of Home page), you will receive short (1-2 page) commentaries via email that are relevant to growing a successful business, with topics ranging from leadership and management approaches to commercialization and technology development processes/techniques.

Tips & Thoughts will be sent out about once a month, and previous versions will be archived here for future reference and downloads.

Please subscribe now to receive the next month's edition!
