

Arizona Health Equity Conference

Building Bridges: Connecting Communities in Research, Practice, & Policy

SAVE THE DATE

Thursday, October 12, 2017

8 a.m. - 4:30 p.m.
Glendale Civic Center
5750 West Glenn Drive
Glendale, AZ 85301

Conference Highlights:

- Understand current health equity research, outreach, and policies taking place in Arizona
- Connect with partners who are working in the field of health equity or interested in reducing health disparities

Objectives:

- 1 Raise awareness about health equity and disparities through topics focused on research, clinical applications, behavioral health, prevention, public health, and policy
- 2 Provide meaningful networking opportunities
- 3 Leave with clear outcomes, new partnerships, and new ideas for research
- 4 Identify paths to improve community health and create systems change

Event includes:

- Local and nationally recognized speakers
- Innovative networking
- Breakout tracks: Research, Prevention, Clinical, and Policy
