

## **FUNDRAISING PROGRAM**

Lexington Gardens invites you to participate in our fundraising program. We are committed to helping our community by offering fundraisers to schools and organizations.

We will reserve a day for your fundraiser. All you need to do is to promote your fundraising event and tell your friends and family and have them mention they are with your organization to the cashier. We will then issue a check for 10% of the proceeds for the mentioned sales.

### **GUIDELINES:**

Fundraisers can be scheduled on any day except Friday, Saturday & Sunday and are not available from Mother's Day weekend through Memorial Day.

Your organization will receive a check equal to 10% of sales (excluding gift cards), attributed to your fundraiser, within two weeks of your event.

Participants must mention the name of your organization at checkout to receive credit toward your total.

All advertising materials must be approved by Lexington Gardens.

Solicitation is not allowed on Lexington Gardens' premises.

All dates are on a first come, first reserved basis.

Lexington Gardens reserves the right to limit participation.

Fundraiser option is available all year.

Fall & Christmas fundraisers include the option for your group to take orders and collect money. Garden Mums are available in Fall. Wreaths, Swags, Roping and Poinsettias are available during the Christmas season. Your group may purchase these at wholesale prices and is responsible for all orders and deliveries.
