CONCERT ETIQUETTE

The success of a concert depends on the audience as well as the performers. The following suggestions are intended to help listeners do their part to ensure that everyone enjoys the concert.

Arrival & Departure

The concert begins at 7:00p.m., with doors opening at 6:30. We suggest that you arrive early to allow plenty of time to find seats and settle in before the concert starts. If you do arrive late, the ushers will let you into the auditorium during the first convenient pause in the program.

We encourage you to stay for the entire show. However, if you do need to leave the auditorium during the concert, please wait for a pause in between selections.

During The Performance...

- ◆ Don't talk, rustle papers, open candy or gum wrappers, rummage through your belongings, etc.
- ◆ Make sure cell phones, pagers, etc. are turned off.
- ◆ Don't tap, clap, hum, whistle, sing along, etc. (unless, of course, the conductor or performers invite you to do so).
- ◆ Don't call out from the audience to friends on stage.
- ◆ Remain seated. If you find you must leave the concert area for some reason, please wait and do so only between selections.

Applause

Please applaud only at the end of a complete selection.

We hope these suggestions make the concert more enjoyable, and we sincerely appreciate your cooperation. Thank you.

Nehemiah Ministries, Inc. Springfield, MA

Nehemiah Ministries, Inc. is a Christian organization that takes its name from the leading figure of the Old Testament book of Nehemiah. Nehemiah was an Israelite leader born in exile under the Persian Empire who, when he learned of the devastation of his ancestral homeland, used his position to secure resources from the king for the rebuilding and revitalization of his community.

Our ministry is rooted in the Gospel and based on the model exemplified by this Biblical saint. It is our conviction that, as privileged Christians, we have abandoned our neighbors in the inner cities, and we challenge ourselves and the broader church to model an incarnational lifestyle of relocation, redistribution, and reconciliation in these hurting communities. Thus, we seek to obey the Great Commission by embodying the Kingdom of God in community and by proclaiming the Good News through example rather than mere persuasion.

Our Thanks

Dear Parents, Teachers, & Community Members,

Welcome to **WinterFest!** As we watch local news channels and read local newspapers, we are often bombarded with images of weakness and failure in our community. Well, tonight you can turn off the television, put down the newspaper, and get ready to celebrate the strength and success in our community—our youth! Our students have been working hard preparing for tonight's festival. I am proud of the work that they have done and I know that you will enjoy the concert. Thank you for your continued support and encouragement.

Sincerely,

Gary R. Bernice

Music Lessons For Students...

Volunteer Opportunities For Families...

Join Our Mentoring Program...

ABOUT MTM

Mentoring Through Music is an after school instrumental music lesson program open to elementary, middle, and high school students in the Springfield Public School District. The program brings together students, professional musicians, and music educators throughout Springfield to participate in high-quality individualized music instruction from beginning to advanced levels. Advanced level students are encouraged to grow in both their musicianship and leadership skills by mentoring beginning students. The individual music lesson program is offered for 30 weeks during the school year, providing students with the opportunity to take weekly lessons throughout the year. See Mr. Bernice for more details.

VISION STATEMENT

A Culture of Musical Excellence...

We value music as a dynamic force that enriches the lives of students, their families, our schools, and our entire community. Springfield will be acknowledged as a distinctive center for music education where every student in every school has equal access to high-quality, culturally relevant, standards-based, sequential music programs.
