A STUDENT'S POINT OF VIEW...

"My experience in the band program has changed my life. Join the SciTech Band!"

*-Jeremy Turgeon, Class of 2011

"Being in the SciTech Band has been the greatest experience of my life. It has helped me get through some of the toughest years of my life. I know it will do the same for you too."

*-Carlene Henriquez, Class of 2010
Band President*

"Being part of the band has not only given me a positive experience as an instrumentalist, but a sense of pride as a member of one of the best improved and recently recognized groups that SciTech has to offer. I would not trade my relationship with fellow band mates, or the times spent in the band room, for the world."

*-Alyssa Grant, Class of 2009
Band President*

"No other program can compare to the fun I have had these past three years. Performing for live audiences is a lot more fun than what it looks. You just have to try it out."
