How is this done?

Option #1:

Our company can help with the registration process and assist you in obtaining a patient certificate by registering you on the Maryland medical Cannabis website. This includes uploading your personal information to the Maryland Cannabis Commission and uploading certain documents to register you as a recipient of a medical cannabis ID. This can take anywhere from 1 hour to a few days depending on the Maryland Medical Cannabis Commission backlog. This is not covered by insurance companies. Cost \$250
