## PRESIDENT'S MESSAGE

*Working smarter, not harder, to support our local community.*

Welcome to a new club year. I hope that everyone had a relaxing summer and is ready to get back to work.

This will be a busy and exciting year. In June, I had the opportunity to represent the club at the GFWC Annual Convention in Baltimore, Maryland. I met a lot of inspiring club women and had the opportunity to connect with a number of GFWC partners. As a result of that, I have chosen to support the USO in Las Vegas as my President's Special Project. I have signed up to volunteer for the outreach of their local chapter, located at McCarren Airport. I am planning several activities during the year, including a day of writing letters to our deployed troops.

Terri Lynn fundraising is upon us again. You will find an order form attached to this newsletter. Please give your orders to Ilene Baker. We have a new way to order and include your family and friends in other states. I learned how to create a fundraising website for the Mesquite Club. You can direct them to our Facebook page, or they can go to this link: <https://the-mesquite-club.terrilynncares.com/>. They can order a myriad of products that will be delivered to their door. The club will get 40% of the cost of the product. So, please share this information with your friends and family.

We will have many fun and entertaining events this year. Activities that will support the USO will be fun and engaging. I encourage you to attend meetings and participate in our club projects. Our success depends on member participation. **WE NEED YOUR HELP!**

I hope that you are as excited as I am about the coming year. On Friday, September 9, 2016 will be our opening luncheon, "A New Year is Dawning." I hope to see you there.

Yours in Federation Friendship,  
Cherie Lee Williams

### An Afternoon with Helen J. Stewart

You are invited to Mesquite Club's Friday, November 4, 2016, Community Services Fundraiser luncheon.

An Afternoon with Helen J. Stewart, founder of the Mesquite Club. Social

hour at 11am Luncheon to begin at Noon. A luncheon for only \$25 will be catered by Accent Flavors. Delectable foods reminiscent of early 1900's will be served for your enjoyment.

Linda Miller, who has been portraying Mesquite Club charter member and past president Helen J. Stewart for many years is to reflect on the myriad community services accomplished in Helen's years as club member. Also, attendees will have the pleasure of meeting two of Stewart's grandchildren.

At this Fundraiser luncheon there is more!

We will be recognizing members for sharing their artistic talents throughout our community. Three long-time Mesquite ladies: Lucy Foley (joined 1960), Flo Mlynarczyk (joined 1975), and Mary Shaw (joined 1980).

Paintings by all three artists are to be on exhibit. They include Lucy's Nevada scenery painting, Flo's painting of the old original Helen J. Stewart Ranch and Mary's painting of the first local post office.

Helen J. Stewart was the first official post mistress of our community. The painting of the original post office was donated to Friends of the Old Mormon Fort by Mary Shaw during the Nevada Sesquicentennial. Current president of that organization, Ruth Rauma, will be bringing the painting for us to view and is to honor Shaw with a plaque to show the appreciation of all at the Fort.

More fun and surprises await all attendees and will be revealed in next month!

Introduce her to your club friends at the event.

Tell her why you are a member of the Mesquite Club.

**Have her get involved in one of our projects this year.  
You don't have to be a member to help.**

We need to make guests experience one that we do not have to ask her to join, they will ask us to join.

Spread the word.**

**If we don't let people know what we are doing,  
how will they know that they can join us?**

## USO - PRESIDENTS SPECIAL PROJECT

Until Every One Comes Home®

### The USO is a partner of GFWC International. United Service Organizations

Millions of times each year at hundreds of locations around the world, the USO lifts the spirits of America's troops and their families. A nonprofit, congressionally chartered, private organization, the USO relies on the generosity of individuals, organizations and corporations to support its activities. The USO is not part of the U.S. government, but is recognized by the Department of Defense, Congress and President of the United States, who serves as Honorary Chairman of the USO.

I have decided to support the USO as my President's Special Project this year. Las Vegas USO has two centers at McCarran Airport, one in Terminal 1, and a smaller center at Terminal 3. They also do many outreach events in the local area. I have signed up to volunteer with their outreach program. If you are interested in volunteering with the USO, let me know and I can set you up. The process is very painless.

We will have several activities this year including a letter-writing session. The troops are so grateful for all of our support. This is a way that we can say thank you for them keeping us safe. I am including an official wish list for the centers here in Las Vegas. They also provide support to the families. If you know of a business that would be willing to support us with this project, please let me know. I hope that you will be as excited about this as I am.

***We WILL make a difference in the lives of our troops and their families.***

## EVENING: CHAIR LETTER; EVENING EVENTS

Dear Members of the Evening Chapter of the Mesquite Club,

Here's hoping that you are enjoying your summer. The Holiday Craft Auction Committee has been busy this summer getting donations from the business community for our grand prizes and for the basket raffles. We will be enjoying a very **"Starry Starry Night"** on November 18, 2016. The grand-prize raffle tickets will be ready at the September 13, 2016, meeting. I don't think that Toby Power and Ruth Larson, co-chairs of the Holiday Craft Auction, will mind if I steal their thunder and reveal that the first prize is four tickets to Disneyland; second prize is \$500 in cash, and third prize is a \$500 gift card to Home Depot. I encourage each member to take 50 tickets to sell.

On September 13, 2016, we will have our Welcome Back Potluck Dinner planned by Judy Stebbins and Robin Dobbs, our membership committee co-chairs and their committee members, Saroj Dhodapkar, Anita Carouthers, and April Watson. They are planning an Evening Mesquite MEMBER "SHIP" and plan on sailing into the new program year with our positive, smiling faces. This meeting is geared to recruit new members to the Evening Chapter of the Mesquite Club with food, fun, and friendship. Please think about whom you would like to bring to meet with the Ladies of the Evening Mesquite Club as prospective members of our great Club and join us as we embark on our exciting adventures this year.

On September 27, 2016, we will have our first program meeting. Linda Shapona, program chair, has invited a local author, Stephen Grogan, to share with us the books that he has published. Grogan is a local, award-winning author of *Las Vegas Die* that is set in Sin City. In this novel, Grogan used interactive fiction to entice readers to find a murder weapon hidden in the city. Grogan's books will be available, and he will sign them at our event. The Las Vegas area is filled with so many talented people, and we will have the opportunity to interact with one of them at that meeting.

Also, it's not too early to be thinking about our first Ways and Means fundraiser on October 4, 2016. Joanie Twitchell and Connie Macauley have agreed to be co-chairs for the Evening Ways and Means Committee. We will be voting on accepting them into the co-chair positions at our first meeting. They will need the support of all of the members as they raise funds "to keep the lights on" in the Clubhouse.

Thank you for your continued dedication to the Mesquite Club of Las Vegas. Please take every opportunity that you have to promote all of our activities with your friends and colleagues. We truly do have an amazing group of women who do amazing things to make Las Vegas area a better community!

In federation friendship,

## REMEMBER THE MESQUITE CLUB, Inc. IN YOUR WILL

Your attorney will be able to explain the tax advantages to you of making bequests to The Mesquite Club, Inc. In terms of actual costs to your estate, the deductibility of such bequests for Federal estate tax purposes mean that the actual dollar outlay may be far less than the face amount of the bequest. This is particularly true if you are a person of considerable means. Your attorney can acquaint you, in an approximate way, with the actual savings you may envision for your estate by means of such bequest. You need not make the bequest in outright form, but you may plan them so

That they will take effect only upon the death of

other members of your family for whom you have made prior provisions in your will. In this way, you may accomplish the two-fold result of providing security for your closest loved ones while seeing to it that, when the funds are no longer needed for their support, the funds will be put to constructive use.

Your bequests can take the form of furthering the general purposes of The Mesquite Club, Inc. or, if you wish, or can be earmarked for some particular phase of The Mesquite Club, Inc. activities that specifically interest you. Although The Mesquite Club, Inc., will welcome and be grateful for such bequests for specific purposes, The Mesquite Club, Inc., prefers that bequests not be restricted., so that after your death, the money can be used for whatever programs are then in need of funds.

If you are thinking of making a bequest to The Mesquite Club, Inc., you should explore this matter fully with your attorney. They will be able to assist you in effectuating a plan which will best achieve your particular testamentary objectives. For the guidance of attorneys drafting wills which make bequests to The Mesquite Club, Inc., there are shown below a few samples of the different forms such bequests may take. Of course, these forms must be adapted by the attorney who makes use of them to the requirements of the particular instrument that they are drafting. They must be aware of the interrelationships between such bequests and the other provisions of your will.
