

Raw Carrier Oils and Butters

Raw Organic Extra Virgin Coconut Oil	Repairs damaged tissue. Prevents wrinkles, sagging skin, and dryness. It is an ant-viral, contains lauric acid. It also helps to sooth and moisturize the skin.
Grapeseed Oil	Used for wrinkle and scar reduction. this oil is extremely rich in beta-carotene and vitamins D, C, E. It also happens to have a concentration of essential fatty acids like palmitic, stearic, and linoleic acid. These fatty acids have performed well in clinical anti-wrinkle trials. They have also proven to be effective at minimizing the prominence and size of scars. Used for the prevention of acne and aging, effectively moisturizes the skin, balancing both dry and oily patches. Also promotes the restoration of collagen at the cellular level, making your skin feel firmer while minimizing more signs of damage.
Avocado Oil	High in nutrients to soothe and nourish dry, damaged skin. The extract seems to be especially beneficial for people who have hip and knee osteoarthritis.
Raw Unrefined Shea Butter	Known as a skin superfood, it is rich in essential fatty acids as well as vitamins A, E, and F. It moisturizes and softens skin. It provides nutrients that are necessary for the natural production of collagen. It contains oleic, stearic, palmitic, and linolenic acids. Can assist in the prevention and reduce the appearance of stretch marks.
Raw Unrefined Cocoa Butter	Protects, heals, and moisturizes skin. Penetrates skin for a deep hydration. Rich in antioxidants including oleic, palmitic, and stearic acid. Lightens age spots and evens skin tone.
