

New England Veterinary Conference

**September 15-18, 2016
Portland, Maine**

New England Veterinary Medical Association

2016 Board Members

President: Robert Belden, DVM is a 1993 graduate of Ross University and has owned New Milford Animal Hospital in Connecticut since 1997; one of his ancestors in fact arrived in New Milford in 1734. Dr. Belden, his wife, and their daughter live in Woodbury when they are not attending family events related to their 27 nieces and nephews. Dr. Belden is a Past President of the Connecticut Veterinary Medical Association and is the current Assistant Governor for Rotary District 7890.

President-Elect: Richard W. Armstrong, DVM is a partner at Hinesburg Veterinary Associates, a 2-hospital small animal practice in northwestern Vermont. He received his DVM from the University of Georgia, graduating in 1995. Dr. Armstrong and his wife Kristin, also a veterinarian, live in Hinesburg, Vermont with a multitude of dogs and cats. He enjoys playing drums in a band and cheering on the Georgia Bulldogs football team when he's not practicing veterinary medicine.

Treasurer: David Stowe, DVM is Chief of Staff of Fisherville Animal Hospital in Concord, New Hampshire. A graduate of the Cummings School of Veterinary Medicine at Tufts, Dr. Stowe is a Past President of the NHVMA. He currently serves on the NH Board of Veterinary Medicine and on the Advisory Board of the NH Veterinary Diagnostic Laboratory, and is an AVMA Alternate Delegate. When not involved in veterinary medicine, he spends his time with his children and sailing, hiking, and rowing.

First Vice President: Michele M. Consiglio, DVM is chief of staff at West Shore Animal Clinic in Warwick, Rhode Island. She received her DVM from St. Georges University in 2004 and performed a clinical rotation at Louisiana State University. Dr. Consiglio is a Director of the Rhode Island Veterinary Medical Association and was named Rhode Island Veterinarian of the Year in 2013. She spends her spare time with friends and family which includes three cats, one dog, and a Blue Front Amazon Parrot.

Second Vice President: Mary Labato, DVM, DACVIM (SAIM) is a Clinical Professor in the Department of Clinical Sciences at Cummings School of Veterinary Medicine at Tufts University. She received her DVM from Tufts in 1983. She is a Past President of the Massachusetts Veterinary Medical Association and is the 2014 recipient of the Massachusetts VMA Distinguished Service Award. Mary and her husband Paul share their home with two Bernese Mountain dogs and two cats.

Third Vice President: Kristine L. Hoyt, DVM owns Cats on Call, a feline-only practice in Scarborough, Maine. She received her DVM from the University of Wisconsin in 1990. She initially trained to work with zoo animals, before completing an internship in small animal surgery and medicine. In the summer of 2010, she traveled to Botswana, where she worked in the bush, tracking leopards for the purpose of placing radio collars. She lives at Higgins Beach with her daughter, three cats, and one dog who thinks she is a cat.

Immediate Past President: Margaret Shively, DVM is a small animal practitioner and the owner of Kennebunk Veterinary Hospital in Kennebunk, Maine, where she resides with her family and various cats and dogs. She is a graduate of Cummings School of Veterinary Medicine at Tufts University. She and her husband spend several weeks each summer doing a mobile practice to the Maine Islands using their lobster boat. Dr. Shively also serves on the Board of Trustees of the Veterinary Scholarship Trust of New England (VSTONE).

Executive Director: William Bell is a professional association manager. A graduate of Yale University, he is also the former executive director of the Maine Veterinary Medical Association.

The New England Veterinary Medical Association is essentially a federation, with each New England state VMA appointing or electing a Director, whose primary purpose is to plan this annual Conference, now in its 82nd year. Every veterinarian who is a member of a New England state VMA is also a member of our New England VMA. In recent years almost all of the annual net financial gain from this Conference has been distributed in equal shares to the charitable foundations of the six New England VMAs and to the Veterinary Scholarship Trust of New England (VSTONE).

Our Conference now also hosts the Northeast Veterinary Leadership Meeting, at which the top elected leaders and staff of the New England states and New York discuss key issues with AVMA leadership and Region One Delegates, the Dean of Tufts Cummings School of Veterinary Medicine and New England's state and federal regulatory veterinarians.

Welcome to the 82nd New England Veterinary Conference

Welcome to Portland and the 82nd annual meeting of the New England Veterinary Medical Association! During this long weekend we hope you enjoy the local attractions, restaurants and scenery this great New England city offers.

Over the four days here in Portland, there will be more than 18 speakers ranging from acupuncture to oncology, including small ruminant medicine, equine medicine, exotic medicine and wellness programs. We have continued our tradition of offering some wet labs that are hard to come by here in New England, including two ultrasound labs and differential and urinalysis geared to technicians. New this year, we will be offering several soft tissue surgery labs on Drains and Tubes and Wound Closure Techniques, as well as small animal dental extraction labs covering both canine and feline extractions.

Please be sure to download the conference app, which is integrated with our registration system and gives you access to your personal conference schedule and the speakers' notes, as well as enabling you to communicate with other attendees directly once you are logged in.

We have added a couple of new social events this year, including a sunset kayak paddle and a tech bowling outing. Join us on Friday night for a casual dinner at a kitchen studio one block from the hotel. Enjoy dinner from several of Portland's well known food trucks and try your hand at whipping up an appetizer, drink or dessert in a "Chopped"-style competition with fellow attendees and guests. Tickets for some of the events may still be available. Check at registration if you are interested in tickets to any of the fun events scheduled.

Please let us know how we can improve the conference next year, by completing your conference evaluation form and drop it off at registration before you leave. Everyone who completes the evaluation is entered to win a Visa giftcard.

Enjoy the first tastes of fall and hope to see you again next year,

Robert Belden, DVM
President, New England Veterinary Medical Association

Program descriptions, speaker bios, proceedings, and more!

Fun Events: Thursday & Friday

Benefit Golf Tournament Dunegrass Golf Club, Old Orchard Beach

Thursday, September 15, 12 noon tee time

This year's tournament will be a "best ball" format for teams of four at Dunegrass, a challenging (Slope:126) but fair course 20 minutes south of Portland. Net proceeds go to the Veterinary Scholarship Trust of New England (VSTONE).

Old Port Pub Crawl with Maine Beer Tours

Thursday, September 15, 5:30 pm

Join us for an Old Port Pub Crawl! The guides from Maine Beer Tours know their beer and will share insights into the Maine beer scene. We will stop at three locations in Portland and enjoy samples at each pub, as well as some tasty snacks. Meet in the hotel lobby by 5:30pm on Thursday.

Happy Hour in the Casco Bay Exhibit Hall

Friday, September 16, 4:30 - 5:30 pm

Join the vendors in the hall for appetizers and a drink from 4:30-5:30 pm before heading off to the group dinner at O'Maine studios or dinner in one of Portland's wonderful restaurants. **No charge for registered attendees. A ticket for a complimentary drink is in your registration envelope.**

Merial

Taste of Portland - Dinner & Fun Events

Friday, September 16, 6-9 pm, O'Maine Studios

Join us for an evening of casual food and fun with fellow attendees. Ever dream of competing on the TV show "Chopped"? Attendees will have the opportunity to participate in a fun and engaging team cooking contest, be a judge, or simply mingle and enjoy the appetizers, drinks and desserts created by your fellow attendees. Dinner will be served from several of Portland's food trucks! Cash bar. One block from the hotel at 54 Danforth Street, one block from the hotel.

Fun Events: Saturday

Sunset Kayak on Casco Bay

Saturday, September 17, 5:15 pm, East End Beach

This 2-hour guided sea kayak offers a chance to enjoy the calm seas and glowing skies of Casco Bay as the sun sets. Your guide will lead you on a leisurely paddle around Portland harbor and then far enough into the open waters to enjoy a panoramic view of the sun setting over the city as you paddle back to the East End Beach. This tour is designed for paddlers of all experience levels -- including first-time kayakers. **Meet at the East End boat launch at the end of Cutter St.**

Sunset Sail on Casco Bay

Saturday, September 17
5pm bus departs hotel, 5:30 - 7:30 pm sail

Join us for a 2-hour Sunset Sail on Casco Bay with Sommelier Erica Archer, CWP, WSET Advanced, on the 74-foot gaff-rigged topsail sloop, Frances. Enjoy scenic views of lighthouses, islands, and waterways while sampling deli-

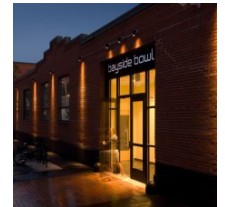

icious local beers from Maine's burgeoning craft brewing scene. Ticket includes five local craft beers with cheese & charcuterie, as well as fruit and crackers. Meet bus at 4:45pm in front of hotel. Bus departs at 5 promptly.

Sponsored by: **Wedgewood Pharmacy**

Technician Talk n' Toss

Saturday, September 17, 5:15 pm

Take some time to meet other technicians in your field in a fun environment to swap stories, ideas, and make new acquaintances at a fun-filled casual bowling event with drinks and appetizers. You don't have to be good at it, just want to have fun! There will be prizes for all kinds of crazy reasons - including lowest and highest scores! Have a blast with fellow techs and memorable moments to talk about before exploring what else Portland has to offer. **Please meet in front of the Holiday Inn at 5:15 for transportation. If you prefer, Bayside Bowl is a short, 15 minute walk from the hotel. No charge to attend. Pre-registration requested to ensure lane space.**
