QI of Fort Lauderdale will be 60 years old on May 11th, so be prepared to celebrate at our meeting on May 2nd! Not only will that be a very special celebration, we will be installing our 2017-18 officers, as well as initiating another new member – Nancy Pierce!

NEW MEMBER!

We welcomed a new member at the April 4th meeting. Jo Anderson, a friend of President Denese, has attended several meetings and is excited about joining Quota. This brings our membership count to 23. Membership Chair Nan Mercer performed the initiation ceremony.

Plantation Fashion Show

Fort Lauderdale Quotarians thoroughly enjoyed attending QI of Plantation's annual luncheon and fashion show on April 8th. After working so hard on our own fashion show two weeks earlier, it was wonderful to relax and visit with old friends. Girls from QI of Coral Springs Parkland were also there. It was great, too, to see Past Governor Nan Winterstein, who drove down from the Sanford area.

A note from Quota International President-Elect

Thank you for sharing your Chatterbox. Keep on sharing your interesting updates because I truly enjoy learning more about your activities.

Regards!

Emilie Simon

DON'T FORGET ...

MAY RAFFLE BASKET ...

JACKIE RULE!

HAPPY BIRTHDAY

Kim Brodsky May 8

Quotarians, Laura Capolino, Nan Mercer and Dorothy Seibert visited PACE to see the operation and were most impressed.

About 85 girls attend PACE Center in Broward County attending free classes and receiving counseling. These girls many times come from unstable families.

Girls are given goals and earn incentive points (beads), with which they may participate in an auction to win items from the "Incentive Cabinet."

PACE CENTER FOR GIRLS

Pace Center for girls was established in 1992 to provide at-risk girls and young women (ages 11-17) an opportunity for a better future.
