- Majority of schools make a profit in the first season.
- Advertising is easy to add at

any
time
during
the
season.

Video Displays

Electro-Mech is proud to partner with US-based sign manufacturer Vantage LED for our Video Display projects. Whether you're looking to add a marquee in front of your facility, include a full color message center with your scoreboard for advertising and animated graphics, or install a full color LED display for Live Video – Electro-Mech has you covered!

ID Panels

ID panels are the perfect tool for building your school or team pride by showing off your mascot and logo. They can also provide a source of long term revenue. With the fans constantly returning their focus toward the scoreboard during a game, the area around the scoreboard display is prime real estate for

advertising — an effective way for businesses to get their messages to customers while showing support for the local community. Let our Sales Team guide you to develop a plan for offsetting the cost of your scoreboard purchase by turning it into a source of ongoing income.
