**Populations:** LCF works with a wide range of individuals from multiple ethnicities, backgrounds, lifestyles, and mental & physical abilities. Individuals interested in volunteering with these groups must exhibit an open and accepting demeanor with a calm, kind and patient sensitivity to individual challenges.

**Clearances:** Some of the organizations we partner with require our teaching artists and volunteers to have background clearances performed prior to working with their groups. LCF will inform you if this is something that is required for the location you would like to volunteer. If so, these clearances and associated costs (up to \$60) are the sole responsibility of the volunteer.
