ARCHITECTURAL CONTROL COMMITTEE

Section 4.01 Basic Control

(a) No building or other improvements of any character shall be erected or placed, or the erection or placing thereof commenced, or changes made in the design or exterior appearance thereof, or any addition or exterior alteration made thereto after original construction, or demolition or destruction by voluntary action made thereto after original construction, on any Lot in the Subdivision until the obtaining of the necessary approval (as hereinafter provided) from the Committee of the construction plans and specifications for the construction or alteration of such improvements or demolition or destruction of existing improvements by voluntary action. Approval shall be granted or withheld based on matters of compliance with the provisions of this instrument, quality of materials, drainage, harmony of external design and color with existing and proposed structures and location with respect to topography and finished grade elevation.

(b) Each application made to the Committee shall be accompanied by two sets of plans and specifications for all proposed construction (initial or alterations) to be done on such Lot, including the drainage plan for the Lot, plot plans showing the location and elevation of the improvements on the Lot and dimensions of all proposed walkways, driveways, and all other matters relevant to architectural approval. The address of the Committee shall be the address of the principal office of the Developer or the Association. If approved, one of the two sets of plans submitted shall be returned to the Owner with said approval noted thereon.

Section 4.02 Architectural Control Committee.

(a) The authority to grant or withhold architectural control approval as referred to above is vested in the Developer; provided, however, the authority of the Developer shall cease and terminate upon the election of the Developer to transfer the authority for architectural control to the Architectural Control Committee of the Association which shall be comprised of three members of the Association appointed by the Board of Directors of the Association (sometimes herein referred to as the "Committee"), in which event such authority shall become vested in and exercised by the Committee (as provided in (b) below), hereinafter referred to, except as to plans and specifications and plot plans theretofore submitted to the Developer which shall continue to exercise such authority over all such plans, specifications and plot plans. The term "Committee," as used in this Declaration, shall mean or refer to the Developer or, upon transfer, to the Bridgepoint Architectural Control Committee composed of members of the Association, as applicable.

(b) At such time as the Developer, in its sole discretion, so elects (from time to time hereafter referred to as the "Control Transfer Date"), the Developer shall cause an instrument transferring architectural control to the Association to be placed of record in the Real Property Records of Montgomery County, Texas (which instrument shall include the Control Transfer Date). Thereupon, the Board of Directors of the Association shall elect a committee of three (3) members to be known as Bridgepoint Architectural Control Committee. From and after the Control Transfer Date, each member of the Committee must be an Owner of property in some Section of Bridgepoint.

Section 4.03 Effect of Inaction. Approval or disapproval as to architectural control matters as set forth in the preceding provisions of this Declaration shall be in writing. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plot plans received by it in compliance with the preceding provisions within thirty (30) days following such submission, such plans and specifications and plot plan shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plot plan and all of the other terms and provisions hereof.

Section 4.04 Effect of Approval. The granting of the aforesaid approval (whether in writing or by lapse of time) shall constitute only an expression of opinion by the Committee that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plot plan; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plot plan, but, nevertheless, fail to comply with the provisions hereof. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof.

Section 4.05 Minimum Construction Standards. The Developer or the Committee may from time to time promulgate an outline of minimum acceptable construction standards; provided, however, that such outline will serve as a minimum guideline only and the Developer or Committee shall not be bound thereby.

Section 4.06 Variance. The Developer or the Committee, as the case may be, may authorize variances from compliance with any of the provisions of this Declaration or minimum acceptable construction standards or regulations and requirements as promulgated from time to time by the Developer or the Committee, when circumstances such as topography, natural obstructions, Lot configuration, Lot size, hardship, aesthetic or environmental considerations may require a variance. The Developer and the Committee reserve the right to grant variances as to building set-back lines, minimum square footage of the residence, fences, and other items. Such variances must be evidenced in writing and shall become effective when signed by the Developer

or by at least a majority of the members of the Committee. If any such variances are granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance is granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall the granting of any variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the property concerned and the Plat.

ARTICLE V

BRIDGEPOINT CIVIC ASSOCIATION

Section 5.01 Membership. Every person or entity who is a record owner of any Lot which is subject to the Maintenance Charge (or could be following the withdrawal of an exemption therefrom) and other assessments provided herein, including contract sellers, shall be a "Member" of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation or those having only an interest in the mineral estate. No Owner shall have more than one membership for each Lot owned by such Member. Memberships shall be appurtenant to and may not be separated from the ownership of the Lots. Regardless of the number of persons who may own a Lot (such as husband and wife, or joint tenants, etc.) there shall be but one membership for each Lot. Additionally, the Directors of the Association shall also be Members of the Association (as more particularly described in the By-laws). Ownership of the Lots shall be the sole qualification for membership. The voting rights of the Members are set forth in the Bylaws of the Association.

Section 5.02 Non-Profit Corporation. Bridgepoint Civic Association, Inc., a non-profit corporation, has been (or will be) organized and it shall be governed by the Articles of Incorporation and Bylaws of said Association; and all duties, obligations, benefits, liens and rights hereunder in favor of the Association shall vest in said corporation.

Section 5.03 Bylaws. The Association has adopted or may adopt whatever Bylaws it may choose to govern the organization or operation of the Subdivision and the use and enjoyment of the Lots and Common Areas, provided that the same are not in conflict with the terms and provisions hereof.

Section 5.04 Owner's Right of Enjoyment. Every Owner shall have a beneficial interest of use and enjoyment in and to the Common Areas and such right shall be appurtenant to and shall pass with the title to every assessed Lot, subject to the following provisions:

- (a) the right of the Association, with respect to the Common Areas, to limit the number of guests of Owners;
- (b) the right of the Association to make rules and regulations regarding use of any Common Area and to charge reasonable admission and other fees for the use of any facility situated upon the Common Areas;
- (c) the right of the Association, in accordance with its Articles and Bylaws (and until the Transfer Control Date, subject to the prior written approval of the Developer), to (i) borrow money for the purpose of improving and maintaining the Common Areas and facilities (including borrowing from the Developer or any entity affiliated with the Developer) and (ii) mortgage said property, however, the rights of such mortgagee of said property shall be subordinate to the rights of the Owners hereunder;
- (d) the right of the Association to suspend the Member's voting rights and the Member's and "Related Users" (as hereinafter defined) right to use any recreational facilities within the Common Areas during any period in which the Maintenance Charge or any assessment against his Lot remains unpaid;

(e) the right of the Association to suspend the Member's voting rights and the Member's and Related Users' right to use any recreational facilities within the Common Area, after notice and hearing by the Board of Directors, for the infraction or violation by such Member or Related Users of this Declaration or the "Rules and Regulations," defined in Article VIII hereof, which suspension shall continue for the duration of such infraction or violation, plus a period not to exceed sixty (60) days following the cessation or curing of such infraction or violation; and,

(f) the right of the Association, subject, until the Transfer Control Date, to the prior written approval of the Developer, to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility, for such purposes and subject to the provisions of this Declaration.

Section 5.05 Delegation of Use. Any member may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Area and facilities to the Member's immediate family living in the Member's residence, and his contract purchasers who reside on the Lot (collectively, the "Related Users").

ARTICLE VI

MAINTENANCE FUND

Section 6.01 Maintenance Fund Obligation. Each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agrees to pay to the Association, in advance, an annual maintenance charge on January 10th of each year, (the "Maintenance Charge"), the "Marina Charge" (as hereinafter defined), if applicable, the "Estates Lot Charge" (as hereinafter defined), if applicable, and any other assessments or charges hereby levied. The Maintenance Charge, Marina Charge, Estates Lot Charge and any other assessments or charges hereby levied, together with such interest thereon and costs of collection thereof, including reasonable attorneys' fees, shall be a charge on the Lots and shall be a continuing lien upon the property against which each such Maintenance Charge, Marina Charge, Estates Lot Charge and other charges and assessments are made.

Section 6.02 Basis of the Maintenance Charge

(a) The Maintenance Charge referred to shall be used to create a fund to be known as the "Maintenance Fund," which shall be used as herein provided; and each such Maintenance Charge (except as otherwise hereinafter provided) shall be paid by the Owner of each Lot (or residential building site) to the Association annually, in advance, on or before the tenth day of the first month of each calendar year, or on such other basis (monthly, quarterly or semi-annually) as the Developer or the Board of Directors of the Association may designate in its sole discretion. Provided, further, the Owners shall not begin paying the Maintenance Charge until March 1, 1997, at which time the prorated amount for the balance of 1997 shall be due and payable. Provided, however, in the event an Owner obtains consent from the Committee for a Composite Building Site pursuant to Section 3.02 hereof, such Composite Building Site shall be considered one Lot for the Maintenance Charge purposes beginning upon the completion of the improvements thereon. Provided, further, in the event an Owner owns more than two (2) Lots, the maximum Maintenance Charge to be paid by such multiple Lot Owner shall be two (2) times the Maintenance Charge for one Lot, regardless of the total number of Lots owned by such Owner.

(b) Any Maintenance Charge, Marina Charge, Estates Lot Charge or other assessments not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of eighteen percent (18%) per annum or (ii) the maximum rate permitted by law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the hereinafter described lien against the Owner's Lot. No Owner may waive or otherwise escape liability for the Maintenance Charge, Marina Charge, Estates Lot Charge or

other assessments by non-use of any Common Areas or recreational facilities available for use by Owners of the Subdivision or by the abandonment of his Lot.

(c) The exact amount of the Maintenance Charge applicable to each Lot will be determined by the Developer or the Board of Directors of the Association during the month preceding the due date of the Maintenance Charge. The initial annual Maintenance Charge shall be \$216.00 per Interior Lot and \$216.00 per Lakefront Lot. All other matters relating to the Maintenance Charge and the collection, expenditures and administration of the Maintenance Fund shall be determined by the Developer or the Board of Directors of the Association, subject to the provision hereof.

(d) In addition to the Maintenance Charge, each Owner of a lot that has been given a license by Developer or Association to use a boat slip in the Marina agrees to pay a Marina Charge equal to \$12.50 per slip per month until January 1, 1999, and thereafter a monthly charge as may be reasonably set by the Developer or, if the Developer has transferred control, by the Board of Directors of the Association. Further, each Owner licensed and entitled to use a boat slip shall be subject to the Rules and Regulations of the Developer or the Association regarding the Marina. Said license to use a boat slip in the Marina shall automatically be transferred to the successor Owner of an Owner's lot. Each Owner of a Lot, given a license to use a boat slip, by acceptance of the deed therefor, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agree to pay directly to the Developer or the Association, the monthly Marina charge ("Marina Charge"). As provided above, the Marina Charge, together with such interest thereon, as provided in 6.02(b), and costs of collection thereof shall be a charge on the Lots of the Owners licensed and entitled to use a boat slip, and shall be a continuing lien as to the Marina Charge (a purchase money lien secured by the same lien which secures the Maintenance Charge), which lien as to the Marina Charge shall be assigned by the Developer on the Control Transfer Date to the Association, upon the Lots against which each such Marina Charge is made. Each Owner's right to use the facilities of the Marina shall be governed by the rules and regulations of the Association.

(e) In addition to the Maintenance Charge and Marina Charge, each Owner of an Estates Lot agrees to pay an Estates Lot Charge equal to \$7.00 per month for the operation and maintenance of the private road and gate thereon. Beginning on January 1, 1997, and thereafter, the Estates Lot charge may be reasonably set by the Developer, or upon transfer, the Board of Directors of the Association. Further, each Owner of an Estates Lot, by acceptance of the deed therefor, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agree to pay directly to the Developer or the Association, the monthly Estates Lot Charge ("Estates Lot Charge"). As provided above, the Estates Lot Charge, together with such interest thereon, as provided in 6.02(b), and costs of collection thereof shall be a charge on the Lots of the Owners of any Estates Lot, and shall be a continuing lien as to the Estates Lot Charge (a purchase money lien secured by the same lien which secures the Maintenance Charge), which lien as to the Estates Lot Charge shall be assigned by the Developer on the Control transfer Date to the Association, upon the Lots against which each such Estates Lot Charge is made.

(f) The Maintenance Charge, Marina Charge or Estates Lot Charge described in this Article VI and other charges or assessments described in this Declaration shall not apply to the Lots owned by the Developer. The Developer, prior to the Control Transfer Date, and the Association, from and after the Control Transfer Date, reserve the right at all times in their own judgement and discretion, to exempt any Lot ("Exempt Lot"), in the Subdivision from the Maintenance Charge, Marina Charge or Estates Lot Charge, in accordance with Section 6.07 hereof. If an Exempt Lot is sold to any party, the Maintenance Charge, Marina Charge or Estates Lot Charge shall be automatically reinstated as to the Exempt Lot and can only be waived at a later date pursuant to the provisions of the preceding sentence. The Developer, prior to the Control Transfer Date, and the Association, from and after the Control Transfer Date, shall have the further right at any time, and from time to time, to adjust or alter said Maintenance Charge from month to month as it deems proper to meet the reasonable operating expenses and reserve requirements of the Association in order for the Association to carry out its duties hereunder.

Section 6.03 Creation of Lien and Personal Obligation. In order to secure the payment of the Maintenance Charge, Marina Charge, Estates Lot Charge and other charges and assessments hereby levied, a vendor's (purchase money) lien for the benefit of the Association, shall be and is hereby reserved in the deed from the Developer to the purchaser of each Lot or portion thereof, which lien shall be enforceable through appropriate judicial and non-judicial proceedings by the Association. As additional security for the payment of the Maintenance Charge, Marina Charge, Estates Lot Charge and other charges and assessments hereby levied, each Owner of a Lot in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Lot which may be foreclosed on by non-judicial foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of a written instrument executed by the President or any Vice-President of the Association and filed for record in the Real Property Records of Montgomery County, Texas. In the event that the Association has determined to nonjudicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association shall mail to the defaulting Owner a copy of the Notice of Trustee's Sale not less than twenty-one (21) days prior to the date on which said sale is scheduled by posting such notice through the U.S. Postal Service, postage prepaid, certified, return receipt requested, properly addressed to such Owner at the last known address of such Owner according to the records of the Association. If required by law, the Association or Trustee shall also cause a copy of the Notice of Trustee's Sale to be recorded in the Real Property Records of Montgomery County, Texas. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorneys' fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default; and third, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgement for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder.

In the event of nonpayment by any Owner of any Maintenance Charge, Marina Charge, Estates Lot Charge or other charge or assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, upon ten (10) days prior written notice thereof to such nonpaying Owner, exercise all other rights and remedies available at law or in equity.

It is the intent of the provisions of this Section 6.03 to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property Code hereafter, the President or any Vice-President of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration filed in the Real Property Records of Montgomery County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code.

Section 6.04 Notice of Lien. In addition to the right of the Association to enforce the Maintenance Charge, Marina Charge, Estates Lot Charge or other charge or assessment levied hereunder, the Association may file a claim or lien against the Lot of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest and costs of collection, including reasonable attorneys' fees, which have accrued thereon, (c) the legal description and street address of the Lot against which the lien is claimed and (d) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall

continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Trustees to cover the preparation and recordation of such release of lien instrument.

Section 6.05 Liens Subordinate to Mortgages. The liens described in this Article VI and the superior title herein reserved shall be deemed subordinate to a first lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit sharing trusts or plans, or other bona fide, third party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Lot and any renewal, extension, rearrangement or refinancing thereof. Each such mortgagee of a mortgage encumbering a Lot who obtains title to such Lot pursuant to the remedies provided in the deed of trust or mortgage or by judicial foreclosure shall take title to the Lot free and clear of any claims for unpaid Maintenance Charges, Marina Charge, Estates Lot Charge or other charges or assessments against such Lot which accrued prior to the time such holder acquires title to such Lot. No such sale or transfer shall relieve such transferee of title to a Lot from liability for any Maintenance Charge, Marina Charge, Estates Lot Charge or other charges or assessments thereafter becoming due or from the lien thereof. Any other sale or transfer of a Lot shall not affect the Association's lien for Maintenance Charges, Marina Charge, Estates Lot Charge or other charges or assessments. The Association shall make a good faith effort to give each such mortgagee sixty (60) days advance written notice of the Association's proposed foreclosure of the lien described in Section 6.01 hereof, which notice shall be sent to the nearest office of such mortgagee by prepaid United States registered or Certified mail, return receipt requested, and shall contain a statement of delinquent Maintenance Charges, Marina Charge, Estates Lot Charge or other charges or assessments upon which the proposed action is based provided, however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VI.

Section 6.06 Purpose of the Maintenance Charge, Marina Charge and Estates Lot Charge. The Maintenance Charge levied by the Developer or the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the Owners of the Subdivision and other portions of the Annexable Area which hereafter may become subject to the jurisdiction of the Association. In particular, the Maintenance Charge shall be used for any improvement or services in furtherance of these purposes and the performance of the Association's duties described in Article VIII, including the maintenance of the Boat Launch or other Common Areas, or Drainage Easements, and the establishment and maintenance of a reserve fund for maintenance of the Boat Launch, Common Areas, or Drainage Easements. The Marina Charge shall be used for the maintenance, repair, replacement, utilities and operation of the Marina. The Estates Lot Charge shall be used for the maintenance, repair, replacement, utilities and operation of the Private Road and the gate and/or entrance to said Private Road. The Maintenance Fund may be expended by the Developer or the Association for any purposes which, in the judgement of the Developer or Association, will tend to maintain the property values in the Subdivision, including, but not limited to, providing funds for the actual cost to the Association of all taxes, insurance, repairs, energy charges, replacement and maintenance of the Boat Launch, Common Area, etc. as may from time to time be authorized by the Association. Except for the Association's use of the Maintenance Charge, Marina Charge or Estates Lot Charge to perform its duties described in this Declaration and in the Bylaws, the use of the Maintenance Charge, Marina Charge or Estates Lot Charge for any of these purposes is permissive and not mandatory. It is understood that the judgement of the Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

Section 6.07 Exempt Property. The following property subject to this Declaration shall be exempt from the Maintenance Charge, Marina Charge or Estates Lot Charge and all other charges and assessments created herein: (a) all properties dedicated to and accepted by a local public authority; (b) the Common Area; and (c) all properties owned by the Developer or the Association or a charitable or nonprofit organization exempt from taxation by the laws of the State

of Texas; however, no land or improvements devoted to dwelling use shall be exempt from said Maintenance Charge.

Section 6.08 Handling of Maintenance Charges, Marina Charge and Estates Lot Charge. The collection and management of the Maintenance Charge, Marina Charge or Estates Lot Charge or other charge or assessment levied hereunder, shall be performed by the Developer until the Control Transfer Date, at which time the Developer shall deliver to the Association all funds on hand together with all books and records of receipt and disbursements. The Developer and, upon transfer, the Association, shall maintain separate special accounts for these funds, and Owners shall be provided at least annually, information on the Maintenance Fund as provided in Section 8.07 hereof.

ARTICLE VII

DEVELOPER'S RIGHTS AND RESERVATIONS

Section 7.01 Period of Developer's Rights and Reservations. Developer shall have, retain and reserve certain rights as hereinafter set forth with respect to the Association and the Marina and other Common Areas from the date hereof, until the earlier to occur of (i) the Control Transfer date or (ii) Developer's written notice to the Association of Developer's termination of the rights described in Article VII hereof. The rights and reservations hereinafter set forth shall be deemed excepted and reserved in each conveyance of a Lot by Developer to an Owner whether or not specifically stated therein and in each deed or other instrument by which any property within the Common Area is conveyed by Developer. The rights, reservations and easements hereafter set forth shall be prior and superior to any other provisions of this Declaration and may not, without Developer's prior written consent, be modified, amended, rescinded or affected by any amendment of this Declaration. Developer's consent to any one such amendment shall not be construed as a consent to any other or subsequent amendment.

Section 7.02 Right to Construct Additional Improvements in Common Area. Developer shall have and hereby reserves the right (without the consent of any other Owner), but shall not be obligated, to construct additional improvements within the Marina, Private Road or Common Area at any time and from time to time in accordance with this Declaration for the improvement and enhancement thereof and for the benefit of the Association and Owners, so long as such construction does not directly result in the increase of such Maintenance Charge. Developer shall, upon the Control Transfer Date, convey or transfer such improvements to the Association and the Association shall be obligated to accept title to, care for and maintain the same as elsewhere provided in this Declaration.

Section 7.03 Developer's Rights to Use Common Areas in Promotion and Marketing of the Property and Annexable Area. Developer shall have and hereby reserves the right to reasonable use of the Common Area and of services offered by the Association in connection with the promotion and marketing of land within the boundaries of the Property and Annexable Area. Without limiting the generality of the foregoing, Developer may erect and maintain on any part of the Common Area such signs, temporary buildings and other structures as Developer may reasonably deem necessary or proper in connection with the promotion, development and marketing of land within the Property and Annexable Area; may use vehicles and equipment within the Common Area for promotional purposes; and may permit prospective purchasers of property within the boundaries of the Property and Annexable Area, who are not Owners or Members of the Association, to use the Common Area at reasonable times and in reasonable numbers; and may refer to the services offered by the Association in connection with the development, promotion and marketing of the Property and Annexable Area. Further, the Developer may establish Rules and Regulations for the use of the Common Areas in the Subdivision.

Section 7.04 Developer's Rights to Grant and Create Easements. Developer shall have and hereby reserves the right, without the consent of any other Owner or the Association, to grant or create temporary or permanent easements, for access, utilities, pipeline easements, cable

television systems, communication and security systems, drainage, water and other purposes incident to development, sale, operation and maintenance of the Subdivision, located in, on, under, over and across (i) the Lots or other property owned by Developer, (ii) the Common Area, and (iii) existing utility easements. Developer also reserves the right, without the consent of any other Owner or the Association, to (i) grant or create temporary or permanent easements for access over and across the streets and roads within the Subdivision to and from FM 1097 or other public roads for the benefit of owners of property, regardless of whether the beneficiary of such easements own property which is hereafter made subject to the jurisdiction of the Association and (ii) permit owners of property within the Annexable Area which is not made subject to the jurisdiction of the Association to use the recreational facilities of the Association and other Common Area, provided that said owners pay to the Association their proportionate share of the cost of operating and maintaining said recreational facilities and Common Areas.

Section 7.05 Developer's Rights to Convey Additional Common Area to the Association. Developer shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and improvements thereon, if any, to the Association as Common Area at any time and from time to time in accordance with this Declaration, without the consent of any other Owner or the Association.

Section 7.06 Annexation of Annexable Area. Additional residential property and common areas outside of the Subdivision including, without limitation, the Annexable Area, may, at any time and from time to time, be annexed by the Developer into the real property which becomes subject to the jurisdiction and benefit of the Association, without the consent of the Owners or any other party; provided, however, such additional residential property outside of the Annexable Area may be made subject to the jurisdiction of the Association by the Developer. The owners of Lots in such annexed property, as well as all other Owners subject to the jurisdiction of the Association, shall be entitled to the use and benefit of all Common Areas, including the Lake, that are or may become subject to the jurisdiction of the Association, provided that such annexed property is impressed with and subject to at least the Maintenance Charge imposed hereby.

ARTICLE VIII

The Association, acting through the Board of Directors or through persons to whom the Board of Directors has delegated such powers (and subject to the provisions of the Bylaws), shall have the duties and powers hereinafter set forth and, in general, the power to do anything that may be necessary or desirable to further the common interest of the members, to maintain, improve and enhance the Common Areas and to improve and enhance the attractiveness, desirability and safety of the Subdivision and any portion of the Annexable Area which becomes subject to the jurisdiction of the Association. Except as otherwise specifically approved by resolution of the Board of Directors, no property or interest in property transferred to the Association by the Developer shall impose upon the Association any obligation to make monetary payments to Developer or any affiliate of Developer including, but not limited to, any purchase price, rent, charge or fee. The property or interest in property transferred to the Association by Developer shall not impose any unreasonable or special burdens of ownership of property, including the management maintenance, replacement and operation thereof.

The Association may construct improvements on the Property and may demolish existing improvements.

Section 8.10 Power to Adopt Rules and Regulations. The Association may adopt, amend, repeal and enforce rules and regulations ("Rules and Regulations"), fines, levies and enforcement provisions as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration, the operation of the Association, the use and enjoyment of the Marina and Common Areas, and the use of any other property, facilities or improvements owned or operated by the Association.

Section 8.11 Power to Enforce Restrictions and Rules and Regulations. The Association (and any Owner with respect only to the remedies described in (ii) below) shall have the power to enforce the provisions of this Declaration and the Rules and Regulations and shall take such action as the Board of Directors deems necessary or desirable to cause such compliance by each Member and each Related User. Without limiting the generality of the foregoing, the Association shall have the power to enforce the provisions of this Declaration and of Rules and Regulations of the Association by any one or more of the following means: (i) By entry upon any property within the Subdivision after notice and hearing (unless a bona fide emergency exists in which event this right of entry may be exercised without notice (written or oral) to the Owner in such manner as to avoid any unreasonable or unnecessary interference with the lawful possession, use or enjoyment of the improvements situated thereon by the Owner or any other person), without liability by the Association to the Owner thereof, for the purpose of enforcement of this Declaration or the Rules and Regulations; (ii) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration or the Rules and Regulations; (iii) by exclusion, after notice and hearing, of any Member or Related User from use of any recreational facilities within the Common Areas during and for up to sixty (60) days following any breach of this Declaration or such Rules and Regulations by such Member or any Related User, unless the breach is a continuing breach in which case exclusion shall continue for so long as such breach continues; (iv) by suspension, after notice and hearing, of the voting rights of a Member during and for up to sixty (60) days following any breach by such Member or a Related User of a provision of this Declaration or such Rules and Regulations, unless the breach is a continuing breach in which case such suspension shall continue for so long as such breach continues; (v) by levying and collecting, after notice and hearing, an assessment against any Member for breach of this Declaration or such Rules and Regulations by such Member or a Related User which assessment reimbursed the Association for the costs incurred by the Association in connection with such breach; (vi) by levying and collecting, after notice and hearing, reasonable and uniformly applied fines and penalties, established in advance in the Rules and Regulations of the Association, from any Member or Related User for breach of this Declaration or such Rules and Regulations by such Member or a Related User; and (vii) by taking action itself to cure or abate such violation and to charge the expenses thereof, if any, to such violating Members, plus attorneys' fees incurred by the Association with respect to exercising such remedy.

Before the Board may invoke the remedies provided above, it shall give registered or certified notice of such alleged violation to Owner, and shall afford the Owner a hearing. If, after the hearing, a violation is found to exist, the Board's right to proceed with the listed remedies shall become absolute. Each day a violation continues shall be deemed a separate violation. Failure of the Association, the Developer, or of any Owner to take any action upon any breach or default with respect to any of the foregoing violations shall not be deemed a waiver of their right to take enforcement action thereafter or upon a subsequent breach or default.

Section 8.12 Power to Grant Easements. In addition to any blanket easements described in this Declaration, the Association shall have the power to grant access, utility, drainage, water facility and other such easements in, on, over or under the Common Area. Additionally, the Association, from and after the Control Transfer Date, shall have the power to grant access, utility, drainage, water facility and other similar easements in, on, over and under Lots provided that such easements do not unreasonably interfere with the rights of the Owner of such Lots.

Section 8.13 Power to Convey and Dedicate Property to Government Agencies. The Association shall have the power to grant, convey, dedicate or transfer any Common Areas or facilities to any public or governmental agency or authority for such purposes and subject to such terms and conditions as the Association shall deem appropriate, which power may be exercised (i) prior to the Control Transfer Date by the Board of Directors and (ii) from and after the Control Transfer Date by the Association, with the approval of not less than two-thirds (2/3rds) of the Members agreeing in writing or by voting at any scheduled meeting of the Members and with the prior written approval of the Developer. The Association may, subject to the limitations of the preceding sentence, convey property to a public or governmental agency or authority in lieu of such property being condemned by such public or governmental agency or authority.

ARTICLE IX

GENERAL PROVISIONS

Section 9.01 Term. The provisions hereof shall run with all property in the Subdivision and shall be binding upon all Owners and all persons claiming under them for a period of forty (40) years from the date this Declaration is recorded, after which time said Declaration shall be automatically extended for successive periods of ten (10) years each, unless an instrument, signed by not less than two-thirds (2/3rds) of the then Owners (including the Developer) of the Lots has been recorded agreeing to cancel, amend or change, in whole or in part, this Declaration.

Section 9.02 Amendments. This Declaration may be amended or changed, in whole or in part, at any time by the written agreement or signed ballot of Owners (including the Developer) entitled to cast not less than two-thirds (2/3rds) of the votes of all of the Owners. If the Declaration is amended by a written instrument signed by those Owners entitled to cast not less than two-thirds (2/3rds) of all of the votes of the Owners of the Association, such amendment must be approved by said Owners within three hundred sixty-five (365) days of the date the first Owner executes such amendment. The date an Owner's signature is acknowledged shall constitute prima facie evidence of the date of execution of said amendment by such Owner. Those Members (Owners, including the Developer) entitled to cast not less than two-thirds (2/3rds) of all of the votes of the Members of the Association may also vote to amend this Declaration, in person, or by proxy, at a meeting of the Members (Owners, including the Developer) duly called for such purpose, written notice of which shall be given to all Owners at least ten (10) days and not more than sixty (60) days in advance and shall set forth the purpose of such meeting. Notwithstanding any provision contained in the Bylaws to the contrary, a quorum, for purposes of such meeting, shall consist of not less than seventy percent (70%) of all of the Members (in person or by proxy) entitled to vote. Any such amendment shall become effective when an instrument is filed for record in the Real Property Records of Montgomery County, Texas, accompanied by a certificate, signed by a majority of the Board of Trustees, stating that the required number of Members (Owners, including the Developer) executed the instrument amending this Declaration or cast a written vote, in person or by proxy, in favor of said amendment at the meeting called for such purpose. Copies of the written ballots pertaining to such amendment shall be retained by the Association for a period of not less than three (3) years after the date of filing of the amendment or termination.

Section 9.03 Amendments by the Developer. The Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged, and filed for record for the purpose of correcting any typographical or grammatical error, oversight, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration and shall not impair or adversely affect the vested property or other rights of any Owner or his mortgagee. Additionally, Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of permitting the Owners to enjoy the benefits from technological advances, such as security, communications or energy-related devices or equipment which did not exist or were not in common use in residential Subdivisions at the time this Declaration was adopted. Likewise, the Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of prohibiting the use of any device or apparatus developed and/or available for residential use following the date of this Declaration if the use of such device or apparatus will adversely affect the Association or will adversely affect the property values within the Subdivision.

Section 9.04 Severability. Each of the provisions of this Declaration shall be deemed independent and severable and the invalidity or unenforceability or partial invalidity or partial

unenforceability of any provision or portion hereof shall not affect the validity or enforceability of any other provision.

Section 9.05 Mergers and Consolidations. The Association may participate in mergers and consolidations with other non-profit corporations organized for the same purposes, provided that (i) prior to the Control Transfer Date any such merger or consolidation shall be approved (in writing or at a meeting duly called for such purpose) by two-thirds (2/3rds) of the Directors and (ii) from and after the Control Transfer Date any such merger or consolidation shall have the consent (in writing or at a meeting duly called for such purpose) of those Members entitled to cast not less than two-thirds (2/3rds) of the votes of all of the Members of the Association and the Developer.

Upon a merger or consolidation of the Association with another association as provided in its Articles of Incorporation, the properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association, or alternatively, the properties, rights and obligations of the other association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to the merger. The surviving or consolidated association will be subject to the covenants and restrictions established by this declaration within the Subdivision, together with the covenants and restrictions established upon any other properties as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants and restrictions established by this Declaration, except as changed by amendment of this Declaration or by the plan of merger or consolidation. In the event of any inconsistency between the terms and provisions of this Declaration and the terms and provisions of any of the merger or consolidation documents, the terms and provisions of this Declaration shall control.

Section 9.06 Liberal Interpretation. The provisions of this Declaration shall be liberally construed as a whole to effectuate the purpose of this Declaration.

Section 9.07 Successors and Assigns. The provisions hereof shall be binding upon and inure to the benefit of the Owners, the Developer and the Association, and their respective heirs, legal representatives, executors, administrators, successors and assigns.

Section 9.08 Effect of Violations on Mortgages. No violation of the provisions herein contained, or any portion thereof, shall affect the lien of any mortgage or deed of trust presently or hereafter placed of record or otherwise affect the rights of the mortgagee under any such mortgage, the holder of any such lien or beneficiary of any such deed of trust; and any such mortgage, lien, or deed of trust may, nevertheless, be enforced in accordance with its terms, subject, nevertheless, to the provisions herein contained.

Section 9.09 Terminology. All personal pronouns used in this Declaration and all exhibits attached hereto, whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural and vice versa. Title of Articles and Sections are for convenience only and neither limit nor amplify the provisions of this Declaration itself. The terms "herein," "hereof" and similar terms, as used in this instrument, refer to the entire agreement and are not limited to referring only to the specific paragraph, section or article in which such terms appear. All references in this Declaration to Exhibits shall refer to the Exhibits attached hereto.

Section 9.10 Effect on Annexable Area. The provisions of this Declaration do not impose any restrictions whatsoever or otherwise encumber the Annexable Area, unless and until portions of the Annexable Area are made subject to the jurisdiction of the Association by a separate instrument executed solely by Developer or its successors and assigns and any

lienholders, which instrument is recorded in the Real Property Records of Montgomery County, Texas.

Section 9.11 Developer's Rights and Prerogatives. Prior to the Control Transfer Date, the Developer may file a statement in the Real Property Records of Montgomery County, Texas, which expressly provides for the Developer's (ii) discontinuance of the exercise of any right or prerogative provided for in this Declaration to be exercised by the Developer or (i) assignment to any third party owning property in the Subdivision or Annexable Area, of one or more of Developer's specific rights and prerogatives provided in this Declaration to be exercised by Developer. The assignee designated by Developer to exercise one or more of Developer's rights or prerogatives hereunder shall be entitled to exercise such right or prerogative until the earlier to occur of the (i) Control Transfer Date or (ii) date that said assignee files a statement in the Real Property Records of Montgomery County, Texas, which expressly provides for said assignee's discontinuance of the exercise of said right or prerogative. From and after the date that the Developer discontinues its exercise of any right or prerogative hereunder and/or assigns its right to exercise one or more of its rights or prerogatives to an assignee, the Developer shall not incur any liability to any Owner, the Association or any other party by reason of the Developer's discontinuance or assignment of the exercise of said right(s) or prerogative(s). Upon the Developer's Assignment of its rights as of the Transfer Control Date to the Association, the Association shall be entitled to exercise all the rights and prerogatives of the Developer.

9.12 Electric Utility Service. Prior to beginning any construction on a Lot, each Lot owner, at his expense, shall be required to install electric service lines from the transformer or source of feed to the meter location on said Lot. Further, each Lot owner may expect to pay a charge for connection to such electric utility service, and the owner is obligated to contact Entergy to determine such charge and make arrangements for the installation of said service lines and connection to the electrical distribution system. Owner shall also be responsible for all charges for all utility service furnished to Owner's Lot.
