

Orange Poppy Seed Dressing

3 Tablespoons sugar

1 1/2 teaspoons finely shredded orange peel

2 Tablespoons orange juice

2 Tablespoons vinegar

1 Tablespoon finely chopped onion

Dash black pepper

1/3 cup salad oil

1 teaspoon poppy seeds

In a food processor bowl or blender container combine sugar, orange peel, vinegar, onion and pepper. Cover and process or blend until combined. With processor or blender running, slowly add 1/3 cup salad oil in a steady stream until mixture is thickened. Stir in poppy seeds. Serve immediately or cover and store in refrigerator for up to a week. Shake well before serving.
